You are too big and too fat. You consume all kinds of things and think you are living in diversity. You believe the lie that size matters.

Who is my Son? What is the Godly example He left for you to follow? Is it big, is it fattened for taste? Is it diverse and full of fun? Or uniquely singular in it's call to death of the flesh, the feeding of the five senses, the lust of what the eyes take in and the social status and state?

In 3 ways I declare to you the failure of the sin nature and what you shall reap in it, yet you tolerate the flesh.

ROM 8:13 for if you are living according to the flesh, you must die; but if by the Spirit you are putting to death the deeds of the body, you will live.
