IS. 55:6

Seek the Lord while He may be found.

My ways are not your ways, there is no historical precedence to the season you are about to enter.

I am going to humble your great nation.

Once again I will overturn the tables of the money changers,... is this a house of prayer?

At what point shall you rend your garments or sit in sackcloth and ash?

You are wise in your own eyes and trust in the systems of men more than the Lord.

Buy from Me Silver and Gold refined by fire.

Buy from Me that which cannot be burned or consumed.

Seek me while I may be found.

Seek my wisdom, forsake the systems of men.

Seek me for I am the ark of Noah, the storehouse of Joseph.

I am the refiners fire and the worlds currencies will be drawn to me.

I will consume what can be consumed.

What is wisdom in light of this word?
