The Mark? *Who's Mark? Part II*

Chapter 1

Clearance Into The Beast Of A Storm

Buckled up, tray tables stowed and seat backs in their full upright position, we taxi to the end of the runway and await clearance for takeoff. This second leg of **The Mark? Who's Mark?** is ready to commence and the conditions for our flight have worsened since part one of this little excursion landed. Word of warning right off the top. This is going to be a very... long... long... flight.

Through our tiny windows, dark foreboding clouds of deception and death are visible all around. The increasing sense of deep tribulation can be seen and felt in the air, such as has not occurred since the beginning of the world until now, nor ever will [Matt 24:21].

The Control Tower has given clearance for take off and our heading is directly into this beast of a storm, this abomination of desolation. As we take to the air, the signs and false wonders are filling in the space around us and sadly the deception of souls who do not love the TRUTH are adding to the intensity of this destructive storm. [2 Thes 2:10] As our flight progresses, the blatant attempt to steal and replace Him who "**hits the mark**" in our heart with His word of will come into view. And from my seat observing my fellow travelers, I wonder who will see or understand.

This storm arrived "cloaked" in the spirit of fear. Most did not see or possess a willingness to even look at it for what it is, because what it is, is not what was forecasted by the "trusted experts" for decades prior to it's arrival. Now, those who hold the "dagger" of this blatant Satanic infiltration and misdirection are admitting to their plan to break in and steal the essence of God with us. [Deut 6:6 / Is 7:14 / Acts 17:27-28 / Heb 7:25 / Rom 8:26-27]
To hack us, if you will.

By God's word and design there has always been **A Mark** of His word to us to be received and expressed, and through that, the enemy who persists in the theft and perversion of God has begun his swan-song. This deceptive storm has come to steal and pervert God's design and call for us to receive His seal, His signet, **His Mark**. We will ALL come face to face with the fact that we have been given **The Mark**, but the question will still remain, *who's mark?*

Chapter 2

Defection From The TRUTH

In Part I, a few things were made note of but not expanded on. Defection from the TRUTH was barely mentioned, but it's really the biggest issue facing us right now and will be addressed first. The reason being? It's the Spirit of TRUTH who must be relied upon if we are going to know and understand Jesus and the Father. Again, It's the Spirit of TRUTH who must be relied upon if we are going to know and understand Jesus and the Father, His word and will spoken into us or

anything else about this existence. He created us with the need for His Spirit to direct us and reveal everything to us.

But when He, the Spirit of TRUTH, comes, He will guide you into all the TRUTH; for He will not speak on His own initiative, but whatever He hears, He will speak; and He will disclose to you what is to come. [John 16:13]

There are two components to this defection from TRUTH and both are due to the influence of these “trusted experts”, their institutions and indoctrinated progeny. First, is what they have told us about the Temple, the last days seen in Mathew 24, the book of Daniel and the Book of Revelation. Some have promoted out right lies about scripture still others have offered misguided half TRUTHs... Ugh? Lies.

Secondly is what they haven’t promoted. Our desperate need for hearing the voice of the Holy Spirit as the anointing that abides with an expectancy of our response to what He teaches us. [1 John 2:27] What a quandary they created for the sheep and themselves. Inserting themselves as the moderator for God between what is written and the One who speaks to reveal what is being said.

For some men, straying from these things, have turned aside to fruitless discussion, wanting to be teachers of the Law, even though they do not understand either what they are saying or the matters about which they make confident assertions. [1 Tim 1:6-7]

Their narrative has blurred and simultaneously omitted what is clearly written in scripture. Many of our preconceived notions about what the Bible says about the end of the age and the book of Revelation in particular are based on what these “expert forecasters” have repeatedly said in their pulpits, their books and movies.

The Holy Spirit has led me to dissect the passages that are common to the mark of the beast, the man of lawlessness, the abomination of desolation, the son of destruction, and the temple. As always, through His intercession, The word He speaks into our spirits, He has revealed depths of understanding I had never seen before in the text of the Bible. He has once again, *hit the Mark* [g1793] in me and broken through the narrative they put into effect. Words of a narrative that don’t seem to be solidly backed up by the actual words in the Bible. And the actual words in the Bible do seem to endorse and reinforce what can be seen out our tiny windows right now.

We’re flying through lies, deceptions and mind control delivered to us daily via a legion of trusted experts. Their forecasts have been injected deeply into the masses, to hide and distract us from the TRUTH. Primarily, they programmed the masses to neglect the God given need to lean into the power of the Holy Spirit as our escort into the TRUTH and expose this dark world.

In not promoting the Holy Spirit and our desperate need for His lead, by default they programmed *missing the Mark*, [g0266] as I have been speaking and writing about for 7 years. The deluding influence of man’s reasoning and his “knowledge of good and evil” are the foundation of these lies, deceptions and mind control. In their promotion of the lie of good vs.

evil, they marginalized the fire Jesus came to cast upon the earth through the Holy Spirit. [Matt 3:11] [Luke 12:49] Because of that, most do not see the TRUTH of this storm for what it is.

The programing has been broad and a multitude of lies and false doctrines have been pushed out from these '*seminariums*', impregnating the unsuspecting congregants to put their trust for understanding in man. For more than 100 years, half baked theologians have ejaculated lies and half-TRUTH's about scripture, the last days, and the nature of the Holy Spirit's work in us to reveal the TRUTH of our Father in Christ, in particular.

It began in earnest with the primer of Rockefeller funding that delivered antichrist, man-centered designs and doctrines into their declarants. Some of them knowing full well, while most were and still are somewhat ignorant. Research this yourself, I'm not here to prove the depths of occulted esoteric Luciferian deception for you. I'm just telling you, it's real. Most of these trusted experts, do not echo the leading of the Holy Spirit and have fabricated half-TRUTH's about God and promoted demonically inspired systems of belief. They've clouded the expectations and understanding of what we are flying through right now.

Trust, and even fear of the experts is deeply engrained into all stations of societies today. God warned us of this danger in that trust surrendered and that warning has been proven correct in the circumstances of the last few years.

You are aware... Right?

Stop trusting in man,
who has but a breath in His nostrils,
of what account is he?
Is 2:22 1984 NIV

Thus says the Lord,
"Cursed is the man who trusts in mankind
And makes flesh his strength,
And whose heart turns away from the Lord
Jer 17:5

Trust in the promoted experts has been proven to be a grand fallacy as it pertains to the media and medical world's. And it's this same mindless consumerism that led us to swallow an artificially sweetened slurry of perceptions of Jesus and His church. Not taking full account or even knowing what passages like John 16:13 or 1 John 2:27 even say, the people of God have been assured that letting someone else grind the wheat, mix the ingredients, bake the bread and deliver it to a convenient location at a specified time is how it is with God.

This is at the root of the deception unfolding upon the world right now. It's also how the "good news" has been disseminated for many generations. Trusting the experts has shrouded our need to labor in surrender, fear and trembling in desperate adherence to the Holy Spirit. The One who serves us the bread of heaven and the rivers of living water as our sustenance and nourishment.

The one who is the fire to burn out sin from our lives. [Matt 3:11] [Luke 12:49] The setup is, we only need enough “faith” or “belief capital” to buy what we’re being sold. And isn’t it just wonderful that so many have stepped up to spoon feed us this meal of deception?

What I’ve just described above is the essence of *missing the Mark* [g0266] of God, the author of **The Mark** [h0226] and being marked. If you’d be interested in a deeper dive on **His Mark** or what *missing the Mark* [g0266] looks like, the Four Foundational Words might offer some perspective for you.

Drilling down, this expert trusting mind control has numbed the spirits of the believing congregants for deca-decades. To their shame, these experts have reduced God down to gnosis, and invented constructs of the human mind when the TRUTH is, *God is Spirit and He must be worshipped in Spirit and in TRUTH*. [John 4:24] Knowledge of things about God, issues that surround God or even people who have followed God has been promoted and substituted for knowing Him in Spirit and in TRUTH.

Knowing God can’t be taught by humans, it must be received from God, and nourished alone in the wilderness of our closets. [Gal 1:11-12] [1 Cor 4:7]
Can you see the Luciferian deception here?
See how they have “Pope-d” the masses?

This subtle intellectual emphasis as a pursuit of God is akin to a spouse knowing things about their spouse being marriage. That knowing things about them is an adequate substitute for the deep spiritual engagement and fluid intimate contact of a Bride and her Groom. [Eph 5:32] It’s ridiculous on it’s face. So now, in the midst of this storm of deception, once again it has become necessary to return to our Father’s original intent. To receive an ear to hear and a heart to follow His voice and the baptizing fire of the Holy Spirit. To enter into continual repentance following with, after and behind the voice of heaven and His rivers of living water!

It’s not from men, but received of the Holy Spirit, through an ear to hear and a heart to follow His testimony into the fellowship of Jesus Christ. We must cease our labor for, or purchase of bread that perishes, but in surrender receive the eternal bread of heaven and **the Mark** [g4972] or seal of God. For upon those who will, God has set his seal [g4972]. [John 3:33] [John 6:27]

So in this contrast of those who have relegated the sufficiency of our connection to God as knowledge to be attained, information to be consumed and not the love of the Spirit of TRUTH; the majority have become pacified in themselves, missing the small gate and narrow road, *missing the Mark*. [g0266]

For failing to embrace the love of the Spirit of TRUTH, 2 Thessalonians 2:11 is now in play. God has sent a deluding influence, it began in earnest over 100 years ago causing many to believe narratives that are false, to believe lies. For failing to personally embrace the leading of the Holy Spirit, a multitude have failed to look at or even sought to understand this storm surrounding this flight.

In my spirit, Joel 2:28 and 2 Thessalonians 2:10-11 appear as concurrent events. He is pouring out His Spirit on all flesh right now. [Joel 2:28] But the wide road multitude following after the promoted experts have been deceived into not listening for and receiving the love of the Spirit of TRUTH, therefore God has sent them the deluding influence they have actually desired. [2 Thes 2:10-11]

*In their case the prophecy of Isaiah is being fulfilled, which says,
You will keep on hearing, but will not understand;
You will keep on seeing, but will not perceive;
For the heart of this people has become dull,
With their ears they scarcely hear,
And they have closed their eyes,
Otherwise they would see with their eyes,
Hear with their ears,
And understand with their heart and return,
And I would heal them.*

[Matt 13:14-15]

We are flying through the defection from TRUTH right now. [2 Thes 2:3]

Chapter 3

The 30,000 Foot Leap For An Internet Conspiracy Theory

So let's take the 30,000 foot peak into how this storm was assembled. Uh, yes, as in manufactured! Let's look at the multitude of congregants who didn't take hold of the bread of heaven for themselves, but rather allowed men to prepare and serve them the bread that perishes.

The same money that funded these howling winds of false prophetic indoctrination spawned from the seminaries, in nearly simultaneous fashion bolstered and funded the allopathic medical sphere, through the infiltration of the public education system and connected institutions of learning. These are critical components of this deceptive storm.

On the surface, before we took to the air, one wouldn't think them to be yoked in purpose. But when we cease eating the bread they bake for us and receive the revelation of the bread of heaven by His Spirit, we can see, they all grew out of the same cesspool of investment, with the same controlling motivation. This swirling storm we are flying through right now is their dividend being payed out.

And though we are at 30,000 feet, this needs to be said right here. It is no "theory" the enemy of our souls is running a "conspiracy" in this world against us all right now. [Eph 6:12] Nor that the children of God have been infiltrated and surrounded with doctrines of devils served up as bread by those whom Lucifer has captured and groomed with fraternal oaths of silence and the threat of death to those who break it.

If you haven't looked, don't understand or will not accept that Lucifer is using people who

masquerade in “the light” as pawns in his plan to kill us, destroy us and steal from us the very TRUTH Jesus is, just stop reading right here and please jump to your safe occluded way of life.

I have no time to waste on those who confidently regurgitate injected mind control phrases like, “that’s just an internet conspiracy theory”. It’s because of these careless words being uttered that arrested development in the souls of men has been perpetuated. [Matt 12:36] Yes, you’re scattering souls in using “their words”. [Luke 11:23] The term “conspiracy theory” is a Satanic infusion into our lexicon with the specific aim of hiding TRUTH through guilt and shame. The power of life and death are in the tongue. [Pro 18:21] [Jam 3:6-10] Satan knows that if he can discourage investigation into the TRUTH through his minion trusted experts, others will follow blindly and parrot the lies and spoon out his guilt and shame upon those who are actually pursuing ALL the TRUTH in the Spirit. [John 16:13]

For those who have not parachuted to their safe space, the Revelation 13:16 mark of the beast as a thing is actually secondary to the point we need to see first. **The mark** is the subject of this missive, vitally important, carrying a devastating eternal outcome for those who receive it, but I believe **the mark** has been used as a distraction from the more subtle point that “he **causes** ALL”. For now, “**causes**”, Strong’s [g4160] is our focus in this passage.

And “he” **causes** [g4160] ALL, the small and the great, and the rich and the poor, and the free men and the slaves, to be given a **mark** [g4972] on their right hand or on their forehead... [Rev 13:16]

Reading verse 16 in over 30 translations there are a wide variety of words used to translate Strong’s [g4160]. Other than **causes**, force, require and compel are the remaining top choices of translation as it pertains to “he” doing something to ALL. See the study guide for the full definitions and know that Strong’s [g4160] will be featured throughout the entirety of this writing.

The Spirit points out that “force” is the fear factor word that has driven the trusted experts and their acolytes in public narrative. Using flavors of the word force or promoting an image of it, is why we have a picture of some horned thing, grabbing everyone in a violent fashion, tattooing bar-codes or jamming a rice sized micro-chips under their skin. And because these entities and technologies do exist, speculation of their use has been promoted in their teaching, books and movies. It’s to the point that, if the TRUTH were heard, it might be scarcely believed due to this programming and mind control. Having said that, the funny thing is, “compel, require or force” are nowhere in the list of definitions for Strong’s [g4160].
NOWHERE!

Strong’s [g4160] means to make or do in a very wide application and it’s more or less direct, but there isn’t a hint of aggression in the descriptive words. Yes, that should cause you to stop and ponder. But for the sake of reinforcing the deceptive signs imbedded into Rev 13, they’ve used fear flavored words like force in their narrative.

Did you know that fear puts people into fight or flight mode and freezes out reasoned or logical thought?

The last 3 years have proven it.

Fear not!

Because of this infused misconception of force and it's logical thought frost, the wide road multitude have not taken into consideration what is happening right now. Because of this we will see many confused by a perceived failure before God, that is actually just a deceiving sign and wonder of the beast. The activity of Satan, with all power, signs and false wonders. And it will be because they did not receive the love of the TRUTH so as to be saved.

And he deceives those who dwell on the earth because of the signs which it was given him to perform... [Rev 13:14]

Due to the programing narrative of the last days, if you ask believers, what are the signs we should be looking for at the end of the age? Most likely you will hear that "a man", "the antichrist", will set himself up in the temple in Jerusalem, "forcing" people to take *the mark* and killing them when they don't.

But what if it's not "a man" *per se* and *the mark*, as the root words for Strongs [g4160] describe will actually be **constructed**, be **appointed**, **dealt** or will **lay in wait** for ALL, with no one being able to stop it? I may be wrong, but I am led by His Spirit to say we will ALL see that ["he" **caused** ALL] to be given *the mark* just as the Bible says.

Yes, this is another one of those Ponder Stops birthed in repentance that I'm incessantly speak about. So persist with me in the consideration and potential of this impression I have received and we will return to this point of the beast and how "it" might **cause** *the mark* to be given to ALL.

Chapter 4

TRUTH Vs The Lie Or Good Vs Evil Death?

Now that we're at cruising altitude and speed and those who are motivated and bound by the spirit of fear and the pressure of human opinion have jettisoned, let's speak about the turbulence and the freakish proliferation of this storm we are flying through, in unequivocally frank tones.

We are in the midst of a great Satanic deception and grab for control. Sans Jesus, possibly the greatest ever. And the deceived, many of whom are believers, are following after the false signs given him to perform for their demise. Choke that down because sometimes the bread of heaven is hard to chew and swallow. [John 6:56]

Lucifer has used the deluding influence of man's reasoning and his "knowledge of good and evil" in the promotion of these lies, deceptions and mind control. The minion trusted experts have pushed the notion that this realm is about *good vs evil* and the multitudes have slurped down this mind controlling lie and regurgitate it as reality, yet it is not. God the Father and Jesus Christ did not send us the Spirit of "good"! They sent us the Holy Spirit of TRUTH who's aim is to baptize us in the purifying fire that Jesus, the Way, the TRUTH and the Life came to cast upon the earth. [Luke 12:49]

Stay connected with me here as this distinction is flushed out. It will help now and in the future as you watch and engage in this realm giving you a heart of wisdom in TRUTH before judgement in the mind.

In reading the account of the Garden of Eden, the Spirit bares witness that the word of God, the root of everything, is set in motion based on TRUTH. It's counter is a lie. This realm is based on TRUTH vs the lie. #TRUTHvsthelie
God told Adam the TRUTH and the serpent brought a half-TRUTH. A lie.

If we can just be logical and not operate in the freezing fog of fear, or Satanically induced words of shame and guilt for just a second. Factoring this world down to it's least common denominators, ask yourself how it's possible that the foundation of this world could be set upon *good vs evil* when it is the very fruit we were commanded not to eat? And scripture verifies, none of us qualify as good.

All have turned aside, together they have become useless;
There is none who does good [g5544],
There is not even one.
[Ps 14:1] [53:1] [Rom 3:12]

*“Why do you call Me good? [g0018]
No one is good [g0018] except God alone.”*
[Mark 10:18] [Luke 18:19]

Read the definitions of Strongs [g5544] it's obvious that ONLY the Holy Spirit can bring us gentleness, goodness or kindness? None do good, not a one. It is Him through us or it is a lie of our flesh.

Does the Spirit of TRUTH bare witness in you that Jesus rejected the promotion of *“the knowledge of good and evil”* as the standard, yet verified Himself, the Way, the TRUTH and the Life standing opposed to the murderer and father of lies? [John 8:44]

The Way, the TRUTH and the Life was led by and then sent us the Holy Spirit of TRUTH to lead us as well. [John 14:6] [John 14:26] [Matt 4:1] And yes, the Bible refers to Jesus as the “good” [g2570] shepherd but the word good is 16th on the list of definitions. And that matters because He rejected the designation of being “good” [g0018] Himself. So lets bring out the defining words that really accentuate His shepherding.

Strongs [g2570] means: beautiful, handsome, excellent, eminent, choice, surpassing, useful, suitable, commendable, admirable, beautiful to look at, shapely, magnificent, *good*, excellent in its nature and characteristics, and therefore well adapted to its ends, genuine, approved precious...
And the list goes on...

Maybe you can see here and as we move forward in this flight, that the English language leans toward being somewhat imprecise at times. Using “good” [g2570] as the definition, as it is in most of the New Testament and moreover, the defining word for His shepherding, is weak. There are three words in Greek defined as “good” in English. None mean the same thing or carry the same initiative in them. This dumbed down, generic perspective of our eminent, majestic and genuine God incarnate shepherd, the one approved beautiful and surpassing by reason of purity of heart and life, Jesus Christ, Is more than “good’ could ever describe.

On point, the harsh reality is, not all who believe have received the love of the TRUTH which is the power and authority to stand in the midst of this lying abomination we are flying through right now. Bitter pill here, but exposing those who parachuted to their safe space, TRUTH is not subject to humans and cares little about what humans think or believe about Him. He has literally been sent to submerge us in His fire [Luke 12:49] [Luke 3:16] and divide us from this world of lies with His sword of TRUTH. [Eph 6:17] [Heb 4:12]

Rom 8:20 states, creation was subjected to futility, *not willingly*, but because of Him who subjected it. In other words, God’s first call was to the TRUTH of His word, but we were subjected to the serpent who perverts the TRUTH and deceives and lies for control of the flesh. God’s call to the TRUTH is the power and authority over every lie of this world, even as His TRUTH was the power and authority over the serpent who crept into the garden offering up the perishing bread. That fruit from The Tree Of The Knowledge Of Good And Evil, that we die in the day we eat! #TOTKOGAE

Look what Adam and Eve did after eating. Blame, shame and condemnation came from their heart to their lips. Jesus said, *“Out of the abundance of the heart the mouth speaks”* [Matt 12:34] and the garden of Eden is where it began after they ate.

So to say this world is about *good vs. evil*, we are admitting we eat the fruit of death and have become immediately disqualified from participation in TRUTH alone because we have entered the seat of judgement that belongs to Jesus, because He was crucified on that tree!

So why say all this? Because in 2019 we were led to believe an “evil” viral thing had been “discovered” or “escaped” in a wet market in China and it was going to kill us all. The trusted experts convinced people to hide in fear, to distance, and mask, yada, yada, yada. They manufactured it, but then told us they had a “good” thing to fix it.

Oh? They “fixed” it alright.

The fix was in long before it even began and before this flight concludes it’s turbulent journey, I will expose their lies and deceit in the promotion of their good over evil that is death.

When all the COVID rhetoric began, in that very hour the Holy Spirit led me to take it all in, lay it on the ground and stomp on it until the opinions, judgements and views of man were pressed out and the good and evil they were using to manipulate the world was visible and eviscerated in TRUTH.

So, as I was led then, we will take up the sword of the Spirit here, the Spirit of TRUTH as our

very chiefest and superior advocate and guide over these false signs and wonders being served up in this beast of a storm. Picture it as the beginning of our snack and beverage service as we drink and chew down these very important questions that are pertinent to **causes** to be **given**, **constructed**, **formed** or **fashioned** with, *the mark*.

What do you actually know about COVID 19?
Where did it come from?
How was it formed and by who? [no pun intended]
How did it spread?
How many actually died from it?
Why did the flu disappear when it arrived?

What do you actually know about the injections veiled in the term vaccine?
What's in them?
What are Lipid Nano Particles?
What's Hydrogel?
What is Graphene Oxide?
How about Qdot®?

What is the abomination of desolation?
Where do the forces from him set it up? [Daniel 11:31] [Matt 24:15]

What you don't know in TRUTH, has already deceived you in the rationalizations and opinions of men spouting good and evil rhetoric. Receive the baptizing fire of His TRUTH in repentance, because these questions are going to be torched.

Chapter 5

Receive The Love Of The TRUTH Or Perish

If you didn't jump from this flight when given the chance, but you can't TRUTHfully answer even some of these questions above, you have been eating the bread that perishes and I can guarantee you do not know the TRUTH about your enemy or his false signs and wonders being poured out on all of us right now. And the TRUTH is, He / they didn't want you to know and have placed contradictory "lies" right in from of you to scuttle the investigation of any of it in TRUTH.

These bakers of perishing bread have proactively hidden and lied about what's really going on because they follow their father, a liar and murderer from the beginning. And persisting in deception, false signs and wonders they have droned on in this fear laced, mind controlling spirit, gaslighting people to continue believing they are seeking the good of all. These are just fabrications based on good and evil rhetoric. They have mixed, baked and served this perishing bread and most "leaders of faith" ingested and promoted it to their congregants as well. It's because they too were taught to "trust the experts" in their seminaries and not the reliance on the Holy Spirit of TRUTH, who's job is to sever us from this world and it's good vs evil standards. [Col 2:20-22]

In their bowing down to men, other experts have deceived them through a lying spirit of fear over these last 3 years. They have endorsed the lie as obedience to God and joined with and become the wolves who devour and scatter the sheep.

He who is a hired hand, and not a shepherd, who is not the owner of the sheep, sees the wolf coming, and leaves the sheep and flees, and the wolf snatches them and scatters them. [John 10:12]

While you marinate in repentance, thinking upon, pondering and considering these issues, we're going to reduce our airspeed, table these many questions and move on to another point that was touched on in part 1. But make no mistake we will return to and expose these questions above because the Spirit of TRUTH is fearless and relentless in those who will incline their ear and let Him lead into ALL the TRUTH. And I am one and you are still here.

Chapter 6

Given Causes

Shifting our attention now specifically to the Rev 13:16 **mark**, and the beast who **causes** all to be given **the mark**.

As a multi-faceted entity in this existence, with many demon lackeys, Satan, the Serpent, Lucifer or as Enoch called its name, Gâdreël, is wickedly powerful, able to imitate and manipulate, destroy with deceit, fear or flattery to name a few. But this entity is unable to “create” like God does, *Ex nihilo*, Latin for “something out of nothing”.

Dragons and beasts being what they are, murderers and thieves who “break in” and steal, taking actions with or against what already exists, the Spirit led me to ponder this question.

Is the Rev 13 mark “of the beast” a stolen item?

The TRUTH in the answer is first no, but it's also, yes and it requires the Spirit of TRUTH to reveal it because viewing this as good or evil won't cut it. The TRUTH is, one can not steal what has been given, yet honor in receiving it's image and purpose can be. Believers would do well to marinate in this understanding.

Given is mentioned 7 times in Rev 13. Of those, 5 times it states it was given to him. Who? The beast. Who has given it, the dragon? Nope.

If you understand Colossians 1:15-20 and verse 16 in particular you know that “...by Him all things were created, both in the heavens and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things have been created through Him and for Him.

Scripture confirms that this beast and what it is serving up in Rev 13 was created by God and for God, but it has been given to the dragon and beast to use for their desired outcome. This understanding that it has been given is backed up in [Luke 4:6] where the devil said to Jesus, “I will give You all this domain and its glory; for it has been handed over to me, and I give it to

whomever I wish. Who handed it over? Adam? No, the Almighty God from the beginning when He put him here.

Everything in this realm is laid out just as Jesus told Pilate,

“You would have no power over me if it were not given to you from above.” [John 19:11]

And here’s a word from Paul to the Church at Corinth that applies perfectly to this dragonistic beast perverter. “For who regards you as superior? What do you have that you did not receive? And if you did receive it, why do you boast as if you did not receive it?” [1 Cor 4:7]

All that is and has been named, has been given unless otherwise sealed up, like the name of the rider of the White horse whose eyes are like a flame of fire. His name is only known by Him. And ALL power and ALL authority is in His name that no one knows at this point, but when it is spoken, I can guarantee it will shatter the heavens and the earth, put an end to the dragon, the beasts, hell, death and the grave in the lake of fire! Hallelujah!

The mark is not stolen, it has been given. But as always with this defeated liar, scripture continually points to the honor of Him who made all things being stolen and the purposes being perverted, just as he did in the garden of Eden. Jesus overcome this temptation in the wilderness by the word of God and not receiving anything of this world being offered. Log that one!

So the idea of **the mark** and it’s outcome has been given to “him” or “them” to use. And when it has been carried it out to it’s fullest extent, we will find [him] seated in the temple of God, displaying himself / itself or themselves as being God. [2 Thes 2:4]

I see God shining right here in exposing the chasm between TRUTH and the lie, far and above the death in pride for the knowledge of good and evil. #TRUTHvsthe lie

The original design and intent of **the Mark** [h0226] was God seeking a **Mark** on the willing. [Deut 6:6-8 / 11:18] A **Mark** on His people called out of this world, to Himself, through the word He placed on their heart. A people called by His name, looking to His kingdom within and to come, subduing this realm and mourning the loss and destruction of it.

In similar fashion, the inverted and perverted corrupt **mark** of the beast will be sown into ALL, regardless of their will, seeking to hold people bound in the grips of this world and it’s 1 John 2:16 desires, the lust of the flesh, the lust of the eyes and the pride of life, leading them away from the kingdom of God, to be tormented with fire and brimstone forever.

Being told we will be escaping all this mess before it arrives as many of the trusted expert seminarian forecasters have predicted sounds “good”, but it’s a lie. The concept of being snatched away before any of this, is to not see and investigate the words on the page of the Bible that tell us, it was also given to him to make war with the saints and to overcome them, [Rev 13:7] or that the perseverance and the faith of the saints will be needed now till His return. [Rev 13:10] [Rev 14:12]

With this in mind, after we depart this flight, some may try to motivate blame towards God for not protecting us from “he” who **causes**, but that’s a lie as well. If you stay in your seat and don’t panic in fear or jump from the plane, He will expose the TRUTH in this matter. If you follow this to the end you will have knowledge and strength that surpasses understanding and a faith and victory not seen for centuries.

The TRUTH is ALL are being **caused** to be given a **Mark** but the question still remains, *who’s mark?*

Chapter 7

Conspiracy To Work Treason

The Captain has turned on the fasten seatbelt sign and called for perseverance for those who keep the commandments of God and their faith in Jesus Christ. [Rev 14:12] It’s because the turbulence of this storm we are flying through has turned deadly and there is no way around it.

But take heart, no temptation, trial or assay of our souls has overtaken us, only what is common to man; and God is faithful. He has provided the way of escape so that we will be able to endure it. [1 Cor 10:13] And He provided it long before this beast of a storm ever manifested in time.

The mark is not original to this dragon and it’s beasts. It has been given. It came from God first and now the enemy of God can use it in perverted and inverted ways just like the Tree Of The Knowledge Of Good And Evil, the #TOTKOGAE is still being used in perverting understanding in the Spirit.

In Deut 6:6-8 and 11:18 we can plainly see that God instituted **the Mark**. [h0226] God said, These words, which I am commanding you today, shall be on your heart. You shall teach them diligently to your sons and shall talk of them when you sit in your house and when you walk by the way and when you lie down and when you rise up. You shall **bind** [h7194] them as a sign [h0226] on your hand and they shall be as frontals [h2903] on your forehead.

Israel was told to **Mark** their foreheads and hands as a sign of His word being commanded on their heart, being impressed into their heart. As with us today, He was seeking their response to His intercession, the word He speaks into our heart that **hits the Mark**. [g1793]

Digging into the roots of the words, “bind”, “sign” and “frontals”, the first thing that the Spirit led me to see was the context of these words can be literal or figurative. Then to look for Jesus in the commandment and seek out the understanding that aligns with His teaching. Because the substance belongs to Christ. [Col 2:17]

The roots betray that Deut 6:6-8 and 11:18 have literal and figurative understandings attached to them. Yes, physical **Marks** or signs were called for, but like everything else in Christ, the eternal value of the action is based on the purity of the initiative to do it. God impressed His word into their heart. He spoke His word into their heart, and the imperative was to listen for His voice. The ensuing action was not as important as the honor and allegiance due to the One who gave

initiative to do it.

*It's the roots of words in the soil of the heart
that form, feed and fill the fruit of understanding.*

Jesus proclaimed that literal physical actions would follow believers and He also gave us figurative understandings of signs and **Marks** that would **distinguish** His from this world.

And these signs [g4592] shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues... [Mark 16:17]

He who believes in Me, as the Scripture said, 'From his innermost being will flow rivers of living water.' [John 7:38]

Jesus reaffirms, the Father's desire is that evidence will show up to confirm His word is actually being heard inside. The commandment in Deuteronomy had physical attributes to it, but let's look into the figurative meanings and discover a depth of revelation that has stood since the garden of Eden in the commandment of TRUTH to subdue the earth!

The root of understanding is that for all time and eternity God has sought a people who would listen for His interceding word and give their **consent** [h7194] to **joining together** with Him. To enter into a **mental league of love, in conspiracy** together with God. To be **knit** to the word being spoken to their heart and with it **work treason** against the god of this world and all he can offer!

"It is the Spirit who gives life; the flesh profits nothing; the words that I have spoken to you are spirit and are life". [John 6:63]

My sheep hear My voice, and I know them, and they follow Me... [John 10:27]

The beast is, and will be, taking what God has ordained and distorting it. Taking the commandment, but striking the **remembrance** [h7194] of He who spoke it, to pervert its purpose. He is going to direct the design and intent toward himself, toward this world and all it offers and in doing so will seek to make himself like the most high. [Is 14:14] It has been given to display "himself" as being God" [2 Thes 2:4], yet he rejects honoring and giving attribution to God because he is antichrist. [1 John 2:22]

The Pharisee's were the trusted experts of Jesus' day. They made a big physical showing of their marks on their heads and hands, but **missed the Mark** of God's commands that Jesus spoke to them, that *are Spirit and are life*.

Jesus was clear in pointing out that the Pharisee's could not hear His word being spoken to their heart in [John 8:43], yet they were marked all over with the signs memorializing some form of **consent** [h7194] to it. They had outward signs or **Marks**, bound to their foreheads and hands with no inward **consent** or conviction to God seeking **to work treason** against this world. I believe

this is an important distinction going forward as *the mark* of the beast is in the flesh seeking our **mental league of love, to work treason** against the Spirit of God in the temple.

Jesus applied nothing on the outside of Himself as a sign or **Mark** of God, apart from being girded with a towel as he knelt to wash the disciples feet. He was the explicit example of what had been received by the Spirit inside being acted upon. That's what counts as life and always has, it's what Abraham embraced. Based on these word definitions and the example Jesus explicitly set in John 8, the Holy Spirit prompts me to ponder the possibility of the external physical representations being similar to what circumcision was for Abraham, a **Mark** to foreshadow the substance of Christ to come. But the figurative understanding remains in tact, unchanged.

The beast will perform signs that appear to be similar to God's command in Deuteronomy. I believe we will shown inward signs of the beast, who **caused** ALL to be given *a mark* in the temple. Yet, like the Pharisees, those signs and that *mark* will still be of corruptible flesh and not the substance. This is why the perverted beast will demand the heart's allegiance in worship and kill those who won't submit, just as the Pharisees had Jesus killed.

The beast will **cause** an inward sign or *mark* in the flesh and demand their be an outward **compact** [h7194] or **mental league of love** for it. It will demand worship for it's presence in the temple of God, seeking a legal contract with the heart of man for the flesh that Jesus said profits nothing and Paul called to be crucified.

It will be seen that he has **caused** ALL to be given a *mark*, signs of it are flying by our windows even now. It's already showing itself to be true. But as these false signs and wonders become clearer, the Spirit provokes me to ponder how many will be found sighing and groaning for this abomination that is in their midst, yet still hold to the TRUTH of the living word of God heard in their heart?

Is it even possible for both to be the true at once? The current forecasts of the trusted experts would lead us to say no because their plan is to make us believe they have killed the Captain and taken over this flight. Nothing could be further from the TRUTH!

Chapter 8

Shattering Weapons

The second element of *the mark* that has been given in Revelation 13 and possibly the most daunting segment of our flight through this storm comes from Ezekiel 9:3-6.

Here God used the certain man clothed in linen with the writing case at his loins, who in earlier chapters was described as having fire below his loins and glowing metal above. He was called to **Mark** the foreheads of those who sighed and groaned for the abominations in their midst.
Hmmm?

Then the glory of the God of Israel went up from the cherub on which it had been, to the

threshold of the temple. And He called to the man clothed in linen at whose loins was the writing case. The Lord said to him, “Go through the midst of the city, even through the midst of Jerusalem, and put a **Mark** [h8420a] on the foreheads of the men who sigh and groan over all the abominations which are being committed in its midst.” But to the others He said in my hearing, “Go through the city after him and strike; do not let your eye have pity and do not spare. Utterly slay old men, young men, maidens, little children, and women, but do not touch any man on whom is **the Mark** [h8420a]; and you shall start from My sanctuary.” So they started with the elders who were before the temple.

It’s no wonder who the man with the writing case was, so it’s fair to say they were not marked by “human” hands. The others who were present with Him each had a shattering weapon in their hand. They were told not to touch any man who had **the Mark**, yet utterly slay all those who were not **Marked**, beginning in the sanctuary of God, with the elders.

Maybe you can see, Ezekiel 9 is where the beast of Revelation 13 is allowed to use what was already given by God. The ability to take the life of those who don’t worship the beast and it’s **mark**.

The inference in the passage is the ones with their shattering weapons could see the **Mark**. However, the Bible does not tell us whether the **Marked** could see anything on themselves or whether the unmarked could see anything on **the Marked**. You might want to consider this little tidbit of information as we get deeper into the descriptions of **the mark** of the beast.

I believe this will prove to be important for mapping out an understanding of the beast and it’s **mark**, but more to the point, Ezekiel describes two separate outcomes for what is received. One was life being spared in those who were **Marked** for their sighs and groans for the abominations in their midst, the others receiving a death sentence for what appears to be their failure to do likewise.

He **causes** ALL to be given a **mark**. For those who do not receive it, in **league of love** [h7194] for his **work of treason against God** in the temple, it has been provided he will take up shattering weapons against them and put them to death. I hope you are tracking here.

If one was to look out the window of this flight right now, the acquisition of the Ezekiel 9 **Mark** is manifesting before our very eyes. But seeing, we don’t see because we are buffeted with the cold lying winds of experts and elders who stand before the temple of God, without seeking the sighs and groans of the Holy Spirit who intercedes according to the will of God. If we were to see as we should in the Spirit, more would sigh and groan with the Spirit for the abomination of desolation in our midst.

Chapter 9

Cross Connections in Perilous Decent

The seat belt sign is still lit, but the snack and beverage service is over and the many questions served will be addressed shortly. But first, we have some really rough airspace ahead of us in the

passages of the Bible that speak to us about this beast of a storm and what has not been seen out our windows. For some it might be real difficult, receiving what will be brought to the surface out of the roots of God's word. But if the increased turbulence causes you to feel nauseous, please grab the bag in the seat pocket in front of you and know this writer is empathetic to the unsettling sighs and groans you may feel. And when we land with some understanding, we'll disembark and enter into the terminal with our eternal destinations sealed with a **Mark**, but again, who's *mark*?

*We are long into the apostasy that was to come first. [2 Thes 2:3]
The abomination of desolation is being set [g2476] into the holy place,
established, to abide; [Matt 24:15]
purposed [g4160] to take seat [g2523] and tarry in the temple of God,
and confer a kingdom, displaying itself as being God. [2 Thes 2:4].
It will cause, construct and lay wait in ALL
with the mark, set to transgress the law
and ordain the conspiracy to work treason [h7194] against God,
for the love of money and it's 1 John 2:16 lusts.*

Since the Spirit made me aware of this I have had a sick feeling inside. I am not ill, but His deep groanings have been overwhelming me with the weight and magnitude of this flight and the deceptive nature of this storm. I say in faith, with deep grief, we've begun our gradual descent into the perilous times that Paul warned of in Second Timothy three.

I am overwhelmed with the many ways I could wrap some understanding around this flight before we land. Desiring to express what is clearly visible out our windows, but not sought out in the Spirit to perceive. There are many deceptions at play to shroud the TRUTH and TRUTH will only be understood by His Spirit.

The Holy Spirit has led me to see hidden treasures in the italicized text above, many of which when looking at the full context of the passages referenced, carry similar meanings. In other words, there is a **BIG** cross connection found in the roots of their definitions. I guess it shouldn't be a surprise that our Father's description of the same event spoken of over the centuries would carry the same words to define it. But I have to say, in seeing these correlations many rabbit trails showed up, because my mind was blown by the symmetry of His word and the naked exposure of the trusted expert's narrative that does not square with the word, or what's visible out the window.

Chapter 10

Perilous Temple Apostasy

Apostasy starts the clock rolling to the end of days. [2 Thes 2:3]

Apostasy, is the defection from TRUTH, who is the Father, Jesus and the Holy Spirit. Apostasy does not need to present as openly antichrist to grow and gain foothold. It can present as Jesus + cultural opinion, or Jesus + anything other than Jesus only.

Apostasy can reveal it's desire as "good" in the avoidance or demotion of the TRUTH, forging a wide road to betrayal.

The Holy Spirit was sent by the Father and Jesus.

He is our teacher. [John 14:26]

He's the anointing that remains. [1 John 2:27]

He led Jesus out into the wilderness to be tempted. [Matt 4:1]

His voice is the One we are called to follow. [John 10:5 John 10:27]

He is the revelation of the scriptures to us. [1 Cor 2:10-13]

Those who are led by the Spirit of God are the sons of God. [Rom 8:14]

Now the Lord is the Spirit... [2 Cor 3:17]

Failure to promote these understandings and encourage believers to embrace them is apostate, because anything apart from these are man made interjections of himself in-between God and man, as many trusted leaders have done. It has choked out the interceding voice of the Holy Spirit in the temple and the church has suffered greatly because of it.

Surveying what hit the ground when the COVID-19 scare broke out, conservatively, 90%+ of churches closed their doors and took money to follow protocol, after ever changing protocol. Few, if any, made proclamation of the power and authority of Jesus or the presence and power of the Holy Spirit to stand and face the fear the trusted experts were dishing out. Many still are in an apostate mindset following what the trusted experts say and not what the Spirit of TRUTH reveals in the Bible.

A form of godliness will allow apostasy to creep in and ignore the focus and power of the TRUTH in Christ. John D. Rockefeller was seen as a "good" man, a Baptist. He promoted "faith" and financed countless institutions with the desire to bring ALL faiths together. He was philanthropic, benevolent, probably knew some of the Bible. All "good" things on the surface, yet the apostate spirit was birthed deeply into the faith culture, through his desire and influence. Ultimately, though he promoted religious institutions, he did not promote and exalt the TRUTH of Jesus Christ and the Holy Spirit. The obelisk at his grave sight raises questions about his first and true allegiance.

His benevolence and philanthropic endeavors were taken to be godliness, yet to receive his funds, a move to ecumenical teaching was required. In ignorance, hearts were turned toward narratives of foolishness mixing other teachings together with Jesus, of being good or doing good as a balance to our inevitable sin. The Bible does not speak of balance between good and evil, nor is it inclusive of ALL faiths.

This mixture subtly moved into the doctrines of these institutions and the speech of many churches thereafter. Ignoring the tenant of scripture to listen for the voice of God in repentance and receive the baptism of the Holy Spirit and His fire that transforms us into the image of Christ. *"I am the way, and the TRUTH, and the life; no one comes to the Father but through Me."* [Matt 3:11] [Luke 3:16] [2 Cor 3:18] [John 14:6]

Apostasy, is the defection from TRUTH and we are deep into the apostasy. The clock has started. Normalized, apostasy crept in so slow and quite, no one really noticed that TRUTH was thrown to the ground. [Dan 8:12]

Continuing on in 2 Thessalonians 2:3-4 we come upon the man of lawlessness who will be revealed, the son of destruction, who exalts 'himself' and opposes every god or object of worship. And even though "he" opposes every god or object of worship "he" is prophesied to set up in the temple of God, displaying "himself" as being God. That's a divided mind and kingdom.

Any kingdom divided against itself is laid waste; and any city or house divided against itself will not stand. [Matt 12:25]

I will be pondering this one some more, but were going to move on and look at the location this divided kingdom will **set up** [g2476], the holy place, the temple God.

First off, has God ever desired a temple built by human hands?

Acts 17:24 says, The God who made the world and all things in it, since He is Lord of heaven and earth, does not dwell in temples made with hands.

Heb 3:6 says, Christ was faithful as a Son over His house—whose house **we** are...

In 1 Kings 8:18 God said to king David,
"it was in your heart to build a house for My name...,
you did well that it was in your heart".

God has never desired a fixed temple on earth, but a tabernacle that lives and moves and has it's being in Him, that's why He instituted a feast to celebrate it.

Further, didn't Jesus tell the experts, "*Destroy this temple, and in three days I will raise it up?*"
Yes, and He did. And didn't He tell those same experts that *the kingdom of heaven is within you?*
Yes, He said that too.

Didn't Paul write, we are the temple of God in 1 Cor 3:16?

He said it again in 2 Cor 6:16, we are the temple of the living God; just as God said,

"I will dwell in them and walk among them;
And I will be their God, and they shall be My people.

Aren't our bodies the temple of the Holy Spirit who is in us? 1 Cor 6:19?

Yes! We are the temple of God, the temple of the Holy Spirit, not built by or served with human hands.

The trusted experts have told us that in order for 2 Thes 2:3-4 to happen, a third temple needs to be built in Jerusalem. A temple built by human hands. They also tell us when it's built, "the anti-christ" is going set himself up there, but Jesus said it's the abomination of desolation that will be standing in the holy place. Good thing we're all buckled in, because the exposure of the

defection from TRUTH into perilous times comes quick from here.

Twice temples were raised up by the hands of men and twice they fell by the hands of other men.
On the exact same day!

The trusted experts have told us to look again for a third temple to be raised up by human hands because the “anti-christ”, the man of lawlessness will be revealed there.

The Holy Spirit explicitly says that in later times some will fall away from the faith, paying attention to deceitful spirits and doctrines of demons, [1 Tim 4:1] and turn their ears away from the TRUTH, turning aside to myths [g3454] or false narratives. [2 Tim 4:4] Apostasy!

Because these experts have told us a third temple is going to be built first, there is potential for a huge plurality of people to not even be paying attention right now. Think about that. No physical temple in sight and across the board, no deep concern for the proximity of the end times tribulation and everything associated. Those perilous times warned of by Jesus and Paul.

Subsequently, who if anyone, is looking for the abomination of desolation who will be seen **standing** [g2476] in the holy place? Following these trusted experts, no one should be, because there is no place for him to “take [his] seat”. Or is there?

Given that God doesn't dwell in temples made by human hands, we should take a cold hard look at this, because Rev 13:14 says “he”, the beast deceives those who dwell on the earth because of the signs which it was given him to perform. Without receiving the love of the TRUTH [2 Thes 2:10], and instead turning aside to myths and false narratives, many have been programmed for this false sign, this deceptive distraction, even those who claim their election in Christ.

For false Christs and false prophets will arise and will show great signs and wonders, so as to mislead, if possible, even the elect. [Matt 24:24]

So to set the record straight, there is indeed a temple here and now.

IT IS US!

We are the holy temple in the Lord, being built together into a dwelling of God in the Spirit. [Eph 2:21-22] We are the holy place of God's dwelling where Jesus said the abomination of desolation will be found **standing** [g2476].

“Therefore when you see the abomination of desolation which was spoken of through Daniel the prophet, standing [g2476] in the holy place (let the reader understand)... [Matt 24:15]

Chapter 11

Roots Feed And Fill Fruit In The Temple

The Holy Spirit is always leading me to dig into words in the Bible. To follow His leading and guidance down into the depths of their roots. To listen and meditate on what He says about them. This feeds **the compact and mental league of love** [h7194] for the TRUTH He is and desires for me enter in with Him. He's put it in me to know Him in the exploration and consideration of what He opens up to my understanding in the depths of the soil of my heart.

*It's the roots of words in the soil of the heart
that form, feed and fill the fruit of understanding.*

We've already touched on the word for **causes** [g4160] in Rev 13:16 and the roots of this word will be exposed often as we continue on, but let's look at the crosstalk of definitions between **causes** [g4160] and **standing** [g2476] used by Jesus in Matt 24. Both words have these common definitions that speak to the same essence and existence in time. He who **causes** all to be given a **mark** and the abomination of desolation **standing** in the holy place both **abide, appoint, bring, cause, continue, hold [up], and lay [wait]**... in the holy place ... In the temple!

Because these words share understandings, it's possible, and I believe highly probable the abomination of desolation **standing** and the beast who will "**cause**" **the mark** to be given are one and the same in origin. In other words, they are coupled, to work in conjunction and occupy the same purpose and place in time, in the holy place.

Looking at what Paul wrote in the second letter to the Thessalonians that spoke to the same issue, verse 4 of chapter 2 says, he **takes** "his" **seat** in the temple of God. Who? Well?, The verse 3 man of lawlessness, the son of destruction.

Let no one in any way deceive you, for it will not come unless the apostasy [g0646] comes first, and the [g3588] man [g0444] of lawlessness [g0458] is revealed [g601], the [g3588] son [g5207] of destruction [g0684], 4 who opposes and exalts [himself] above every so-called god or object of worship, so that he [g0846] **takes** [his] **seat** [g2523] in the temple of God, displaying himself [g1438] as being God. [2 Thes 2:3-4]

As translated, these two descriptions of the occupant in the temple of God have aided the spirit of apostasy in these last days. Because we are the temple of God and not a dwelling made by human hands, is there a man or son of man who's going to crawl up inside us all and claim to be God? The answer has to be no. But the programming of a third temple being built by human hands has deceived us, caused by an ignorant turning aside to myths [g3454] and false narratives. [2 Tim 4:4]

In seeing this the Holy Spirit has led me to questions and scrutiny to the lawless destruction that will be **caused** and will be found **standing** in the temple displaying himself as being God.

Are you wondering how the Bible can be so absolutely true, yet our understanding could still be skewed? I do.

It's because we don't know the roots of His word! Because we have trusted experts to tell us what to think and have not followed with, after and behind the leading of the Holy Spirit, in perpetual repentance down into the roots of understanding. [Matt7:7] Maybe you've heard me say this before, but

I live off of His Intercession in repentance.

The Holy Spirit is in us to lead us into ALL the TRUTH and that's why the trusted experts didn't push our need for the revelation in His voice, and only His voice to lead us in study of the Bible.

In the continuing dig into verse 3 the definitions seen were expanded on and their syntax or usage was arranged to bring about understanding. It matches the view out our windows, that will be understood after we cut through this freezing fog of cognitive dissonance due to the programming of Lucifer and his minion trusted experts.

The expansion of these two phrases expose the driving motivations and speak to the essence of the abomination of desolation and the beast who will **mark**. All these words used can be found in the defining terms of the words in the Strong's Concordance. There are no coincidences.

"The [g3588] man [g0444] of lawlessness [g0458] is revealed [g601]" can be defined:

"These people of contempt and violation of law uncovered and made known".

Or...

"The human being merchantmen of wickedness unveiled".

Or...

"People who transgress the law, to establish a thing and disclose what was unknown before".

"The [g3588] son [g5207] of destruction [g0684]", can be defined:

"These pupils of perishing ruin". [Like they've been studying and working on it for a while?]

Uhhhh Huh!

It can also read...

"Those sons of money".

Or...

"One in kinship of money and the destruction which consists of eternal misery in hell".

Seriously? These variations open up the need to ponder, consider and heed what the Holy Spirit is saying. Not only do they enhance and magnify the view out our windows, but they bring clarity to what God is trying to convey to us about the essence of this beast and **the mark** he is **set** to bring. They prove the trusted experts have promoted myths and shallow fabrications about scripture. Small as they may be, the Bible lines up better with what can be seen out our windows, than nearly anything the trusted experts have said.

So, looking through the definitions, it does not have to be "the man" or "the son". The definitions are broad, but all point back to what **the mark** is all about. And if that's not enough to get you pondering with the Spirit, we also need to look at the pronouns used in both verse 3 and 4. And isn't it ironic we live in a time where the spirit working in the sons of disobedience have pushed so hard to corrupt pronouns through the mainstream prince of the power of the air? But to make it straight [every pun intended], He [g0846] of "he" **takes** his **seat** is third person and can read [he, they, it or **(these) things**]. Also [his] as it refers to the seat is an implied pronoun, it really just reads, **takes seat** and displays [himself, themselves or itself] [g1438] as being God.

As this Ponder Stop becomes all the more intriguing, taking these expanded views of 2 Thes 2:3-4 and reading them pronoun corrected and syntax modified, it takes on a very interesting

description.

*“The human being merchantmen of wickedness will be uncovered and made known”.
“Establishing it as a thing, disclosed from what was unknown before” “These perishing sons of
money”, vessels in kinship with the destruction and eternal misery in hell”. Who oppose and
exalt above every so-called god or object of worship, will **take seat** in the temple of God,
displaying itself as being God.*

It may take a few reads of that to see beyond the narrative of the trusted experts and the programming that they have put out, it did for me. But as it sinks in, think about what scripture says you can't do without **the mark** and then realize, “the lawless man of destruction” is a merchant man and a son of money who will **take seat**, in the temple of God, displaying itself as being God! Deep Ponder Stop here!

And since we're in the process of destroying the many deceptions of the enemy, freeing our minds from his lies, with the TRUTH and power of God's word, think about this. **Take seat** [g2523] from 2 Thes 2:4, **causes** [g4160] from Rev 13:16 and **arise** [h5975] from Dan 11:31 can all mean, **appointed to tarry**.

Yeah, like it's going to **abide** or be **fixed** into the temple of God, lingering and hanging around. And if that's not enough, the word **tarry** in the definition of [g4160] **causes** is **tarry, + transgress the law!** And if that's not enough, Lawlessness [g0458] carries the definition transgress the law + **causes** [g4160] ! You just can't make this stuff up, it's right there in the roots. They both point to the same thing and the same initiative. **To set to tarry** in **lawless cause**.

...remember that it is not you who supports the root, but the root supports you. [Rom 11:18]

Causes ALL is happening right now. It's wizzing past our windows. It's being **appointed** and will **tarry/tarry** till the **appointed** time. Stay buckled in because it goes even deeper from here.

In TRUTH, what you don't know about the snack and beverage service questions, has already deceived you, as it “**takes seat**” [g2523] **to set / to set up** or **tarry, to appoint** and “**confer**” a **kingdom on us**. And so you know, confer means: consult, talk, speak or converse.

Forces [h2220] “from him will” [h4480] **arise** [h5975], desecrate the sanctuary fortress, and do away with the regular sacrifice. And they will set up the abomination [h8251] of desolation [h8074]. [Dan 11:31]

“Therefore when you see the abomination [g0946] of desolation which was spoken of through Daniel the prophet, standing [g2476] in the holy place (let the reader understand)... [Matt 24:15]

Daniel's **arise** [h5975] and Jesus' **standing** [g2476] both mean to: **abide, appoint, cause, continue, establish, hold, to make, stand, place, present or set (up)**.

These forces that arise are not a man or son who's going to crawl up inside our temple and

display “himself” as being God. There is no way. And “From him will” [h4480] in Daniel 11:31 is a prepositional phrase, **from, out of, on account of**. There is no gender pronoun assignment to it, sorry Lucifer! But, forces are **arising** [h5975] now and these definitions lend credence to a broader category similar to what we just saw in Second Thessalonians. *Merchantmen of wickedness, those sons of money* who will be found **tarrying in lawlessness** in the temple of God to **confer a kingdom on us**. The question is how?

And don't look now but **causes** [g4160], **standing** [g2476], and **arise** [h5975], all share these root words in common:

abide, appoint, cause and continue.

Why mention all this? Because it proves that through the centuries, the roots of the word of God remain true and consistent. That the understanding of God is found in the roots that support His word. Maybe even the root of Jesse [Rom 15:12] who is the same yesterday, today and forever. [Heb13:8]

God made sure that the words that surround the descriptions of the forces of the abomination of desolation that **arise** and are found **standing** in the holy place to **cause**, all point in the same direction.

The mind controlling forces of Lucifer have kept people in a stupor, reinforced by his trusted expert minions that dissuaded our necessity to venture out with the Holy Spirit to explore, pull apart and see into the roots of the word of God for ourselves. It's the same spirit of fear and mind control that kept people shut up in their homes, distanced from people, wearing a mask and receiving their fix. No shame or condemnation, but it is the TRUTH!

The way these verses have been pulled apart, dissected and reassembled matches up perfectly with what is visible and taking place right now. It's not coming, it's here now, **setting / setting / setting** itself up, **tarrying / tarrying** and **laying in wait** for an **appointed / appointed / appointed** time. Hopefully, it's becoming clearer for you, but if it's not clear yet, hang on.

And, *do not fear*. Understand, the Control Tower gave His living word for clearance and take off directly into this beast of a storm, this abomination of desolation we are flying through. Most have not received the revelation of this storm for what it is, but know this, the deception has come to steal and pervert God's design and call for us to receive His seal, His signet, and **His Mark** placed into our heart.

Chapter 12

Fire Baptism Of The Trusted Experts

The landing gear has been deployed and we are beginning our gradual descent into the fog and freezing crosswinds of cognitive dissonance. The answers to the questions offered up as our snack and beverage service are going to be addressed now and the insights gained will help us to understand this storm, the view out our windows and the conditions that await us on the ground.

The answers are going break in on traditional thoughts and attitudes about the Rev 13:16 *mark*, just as we have been doing in preceding paragraphs. The reports from the ground are not what the trusted experts told us to expect from this last days storm and these inconsistent thoughts and beliefs are going to be an influence on our behavior when we land, if they are not challenged and broken now. The Bible has brought confirmation to what is visible to the naked eye, but what can be seen has not been understood due to their programming of our minds to not listen for and follow after the Spirit of TRUTH.

The Holy Spirit speaks among us, a wisdom and a hidden mystery of God not of this age or of the rulers of this age, who are passing away. For God reveals them through the Spirit who searches all things, even the depths of God down into the roots of His word that sustain and uphold ALL things. And if we have received the Spirit who is from God and reject the spirit of the world, we can know the things freely given to us by God, in words not taught by human wisdom, but taught by the Spirit, combining His thoughts with spiritual words. [1 Cor 2:6-13]

On point with the cross connection found in the roots of the defining words above, the abomination of desolation and *the mark* of the beast are directly connected to each other in the temple of the living God, *where it should not be*. [Mark 13:14] What is now known in TRUTH was shrouded in predictive programming by “*Merchantmen who were going to transgress the law to establish a thing unknown before, but now it’s disclosed.*” The deceiving narratives of the trusted experts threw TRUTH to the ground [Dan 8:12] and promoted the lying anti-christ spirit to distract us, just as their master financiers desired.

But if we will receive the baptizing fire of His TRUTH in repentance and allow Him to consume everything we’ve been told and believed, the Holy Spirit will open our understanding and lead us into all the TRUTH, what is written and being revealed right now through His Spirit that is being poured out on all flesh.

Chapter 13

Stripping the Abomination

I can almost guarantee you have no idea what COVID-19 is, how it came into existence, for what purpose or what it really does to us. And that’s understandable, because I’m sharing 3 year’s worth of study and research. This information has been garnered from people who were ridiculed, marginalized and banned for telling the TRUTH by the mainstream prince. Yet, we could all repeat some of what the prince told us and some still do, but what of it is the TRUTH?

Before we fly too deep into the freezing fog of scientism, the religious dogma spewed upon us with no acquaintance to observable, measurable or repeatable scientific study. Let’s review a couple of signs and false wonders of this storm that were not revealed nor amplified by the prince of the power of the air.

First off, COVID-19 is not a naturally occurring phenomenon. That should have been our first clue that everything they were telling us was a lie from the beginning. But, Trusted Expert Syndrome [TES] blinded us from even asking the questions. But

the Holy Spirit can open our eyes.

Through the hands of “the sons of destruction”, “these pupils of perishing ruin”, this storm of lab mutations and distortions were manufactured, then purposely released upon human beings. Just as HIV, SARS, MERS-CoV and every other so called virus we’ve encountered over the last 40+ years. All were lab assembled, then released on unsuspecting people.

All of these lab fabrications brought compromise to our God given immunities and provided them opportunity to profit off our sicknesses and feed their favorite narrative, fear of the unknown. He has come to kill, steal and destroy. [John 10:10]

They told us COVID-19 is caused by the mRNA SARS-CoV-2 virus.
That. is a lie.

SARS-CoV-2 is not capable of human to human infection. Ralph Baric the UNC Chapel Hill “co-inventor” of SARS-CoV-2, yes “INVENTOR”, said so himself. The narrative we were fed about human to human transmission of a virus was a deception. Albeit, humans did cause other humans to be infected through their chimeric concoction, COVID-19 is something else.

It is said of mRNA in general, that it's so unstable in a lab that if you look at it wrong it dies. So all experimentation, editing or research of mRNA genetic code needed to be done inside the cells, inside the host animal. This should give you some pause to ponder right here.

mRNA is a set of instructions God created for our bodies to perform necessary functions. It reads and translates DNA information to form amino acid sequences or proteins in cells. Generally, it appears God created mRNA to copy and paste life needs into cells, for growth, health and healing of the body according to it's genetic code, His image. Once that task of transcription and translation of DNA material is complete, the mRNA is destroyed and taken out of the body. The typical life span of God's mRNA is about 1 to 3 minutes.

The mRNA SARS-CoV-2 “virus” didn't cause COVID-19.
mRNA is a sequenced code of God used for our benefit, not a “virus”.
COVID-19 is not a contagious respiratory “virus”.
mRNA SARS-CoV-2 and COVID-19 are technologies and are not of God.
We are dealing with liars, who will lie, as if it's the TRUTH just like the serpent in the garden.

What the trusted experts told us we experienced, this spreading of an infectious disease was scientifically impossible given their own patents and explanations. This is how false prophets, their lying signs and wonders can be exposed when you don't jump from the plane yelling “internet conspiracy theory”, but begin scrutinizing everything through the Holy Spirit of TRUTH.

COVID-19 is indeed something else. It's a “technology” they synthesized from other manufactured, deeply nefarious technologies to form the engineered structure they called COVID-19. A toxic mixture of genetic sequences that invade, distort and kill the human genome. Who does that sound like?

All for the “good” of science, mankind learned how to enter into the bonded chain of mRNA instructions that God ordained. Taking it, man learned to re-sequence it’s code with their corrupted instructions, what they refer to as a “spike protein”. Maybe you heard about the spike protein? The Frankenstein set of computer generated instructions with no off switch? They inserted the spike protein, and maybe a few of them into COVID-19 to genetically interfere and alter human beings, seeking to destroy the image of God.

These man made spike proteins don’t die in a natural order like God’s mRNA because by definition, they are not natural, they are a technology and not of God. They are artificially intelligent, can be magnetically charged and are capable of self assembly and replication.

They call it “gain of function”.

I believe the Bible refers to it as an abomination of desolation.

This gain of function spike protein or proteins in COVID-19 are also in their injections they passed off as a vaccines that are not vaccines, but also a technology. These gain of function spike proteins are generally referred to as Lipid Nano Particles. These [LNP’s] are artificially intelligent biosynthetic devices, not a virus, and in the instance of the injections, not a cure for anything. They are self aware venomous invaders, a technology without benefit to life. They are capable of editing DNA in the body, creating other artificially intelligent biosynthetic structures that can spawn disease, self assemble into medical devices, communications devices and bring disruption and death to the body.

Gain of function in this instance is a parasitic self aware device, an unwelcome passenger that turns our bodies into manufacturing plants for these gain of function spike proteins. A parasite needs a host and they are using our bodies like a parasite would for their self replicating agents of biological warfare and transhumanism. They are **setting up / setting up / setting up** and **taking seat** in the temple of God to bring destruction of God’s creation and order.

Is scripture coming alive yet?

Are you catching a whiff of the abomination of desolation that has **fixed / fixed it’s abode** in the temple of God to **execute, establish / establish** and **confer a kingdom covenant / covenant of money to one**?

Remember how they hammered on us to “trust the science”? You should! Scientifically, the creation of COVID-19 and it’s linked injection serve no benefit to health, do not prevent infection or symptoms of disease and do not prevent death. In fact the exact opposite is the TRUTH. You should trust the science, just not the trusted experts the prince parades in front of us to explain it all, because forces, [h2220] **from, out of, on account of**, [h4480] COVID-19 have **arisen**, using scientism to **set up / set up / set up** an abomination of desolation, to desecrate the sanctuary with a multitude of shattering weapons. [Dan 11:31] [Ezk 9:3-6] And it is **standing where it should not be**. [Mark 13:14]

So how did COVID-19 spread?

The answers are broad, but very disturbing and they expose the world forces of darkness we are facing. Demonic entities that have imprisoned souls and led them away to lies and godlessness in a cult of death and destruction for financial gain and power. To be sure, these spiritual forces of wickedness have driven “the man” of lawlessness and “the son” of destruction, through a murderous, anti-christ spirit that hates the TRUTH and the beauty of God’s creation.

The esoteric destructive heart of COVID-19 and it’s injection is rather complex, but it’s formed around this Lipid Nano Particle technology, that contains Graphene Oxide, an electric technology and known metallic toxin that can damage DNA. Together these [LNP’s] establish themselves in the body with whatever capabilities they are programmed to perform. Even setting up wireless routers and transmitters to send and receive electronic impulse or frequency. These are the pervasive buffeting cross winds of cold hard deception we must face.

Hydrogel is another substance used in this engineered COVID-19 structure. Like a shell, it encapsulates these [LNP’s] so our bodies will not reject them as the poisonous invaders they are. This wrapper of Hydrogel deceives the body into accepting whatever it contains as harmless. This allows the abomination spike to enter into cells of various genetic functions where the payload of disruption, alteration and replacement is delivered.

What’s the irony in needing to manufacture something to deceive God’s creation into accepting direction from a venomous serpent invader? And yes, snake venom has been found in COVID-19! But what should we expect from the serpent of old and his sons of destruction and perishing ruin?

It is likely and probable, though I could not find verification, that the original outbreak of COVID-19 in Wuhan and other specific locations was done through one or more of these three methods. This Lipid Nano Particle technology can be aerosolized and sprayed, it can be applied through touch, or ingested through what they call, edible adhesives. Yum!

So how did it spread? Simply stated, real people, on purpose, used the air, food and water or anything that touches our skin to spread it. And given they are liars, it could have been hidden in any manner of other injected materials as well. But it’s not a virus, it’s a parasitic self aware nano technology that is classified as a biological weapon. That’s what was released on unsuspecting people creating their instant *Plandemic!*

...they worshiped **the dragon** because he gave his authority to the beast; and they worshiped the beast, saying, “Who is like the beast, and **who is able to wage war with him / IT [0846]?**” [Rev 13:4]

Chapter 14

The Fog Of Fear

As we begin our final approach, it must be stated that paralyzing freezing fear was the biggest driver behind COVID-19. Toxic as it was, it had a 99% survival rate, posing it’s most dangerous threat to those with serious comorbidity, or compromised immunity just as the flu presents every

year.

Serialized structured lies and misdirections, fabrications about hospitalizations, cases, PCR tests, distancing and masks were capped off with the US government inflating the death rates. Yes, they lied! Officially, “If someone died with this corrupt COVID-19 technology in them, it was to be counted as a COVID death. So, in essence they could count motorcycle accidents and suicides as a COVID death if the misappropriated PCR tests found the most minuscule trace of COVID-19. And oddly enough, In 2020 the flu disappeared and the number of COVID deaths was very close to the average influenza deaths of prior years. False signs and lying wonders performed right under everyones nose, but not comprehended due to fear and the suppression of TRUTH by the prince.

This fog of fear was amplified, pushed and poured out on the public 24/7/360 for this one purpose. To scare people into their planned salvation by injection, the so called “vaccines”. They lied and used fear to herd people into the acceptance of their concentrated lab manufactured bioweapon injection. COVID-19 was created and amplified with lies and fear so they could launch their injection program.

What caused the outbreak of COVID-19 and what’s in the injections are essentially the same thing, I believe the difference on effectiveness was the volume and concentration of toxicity in the method of delivery. Of course, the prescribed hospital “treatments” demanded by the government didn’t aid in wellness either. But that’s another deeply nefarious story of mandated poisoning by the trusted experts and leaders, we won’t touch right now.

These injections have never legally qualified as vaccines. The human and animal tests held disastrous numbers of deaths because the injected material served no benefit to health, did not prevent infection or symptoms of disease and did not prevent death. The trusted experts have repeatedly lied to everyone, like their father.

The TRUTH is, the so called vaccines, qualify as a biological weapons in direct violation of 18 U.S. Code §175. But what should we expect from “the man” of lawlessness or these pupils of perishing ruin in action?

All the sociopathic murderous tyrants of antiquity would have cheered the elegant simplicity of COVID-19. Their genius of creating a fabricated emergency and a simultaneous fix, seeding the air with fear of losing jobs, access to events or loved ones, so **without any delay**, they could **bring forth, appoint, cause, secure and observe** their experimental **gain of function** injections in the human being laboratory petri dishes.

Fear deceived and motivated people to **agree** with the sons of destruction and their intended hack of God’s genetic code. In **agreement** to let it **abide / abide / abide**, the unaware were used as experimental subjects to **fulfill** everything from their **purposed** extermination, to their “precious”, the man to machine interface and transmutation.

[He] **CAUSES** ALL.

For the coming of the Son of Man will be just like the days of Noah. [Matt 24:37]

Akin to the Nephilim in the days of Noah and the contamination of the seed of man, these perverters are desecrating the temple, the sanctuary of God. Performed with a multitude of shattering weapons, through the power and intelligence of a god-like beast this abomination of desolation will be found, *standing where it should not be*, having caused ALL to be given *a mark!* [Gen 6] [Ezk 9:3-6] [Rev 13:16]

Who, with the sighs and groans of the Holy Spirit inside is meeting this manifesting reality?

Chapter 15

Shortening The Days

Looking out our windows right now, we can see hundreds of millions of souls who have been seriously injured or #died suddenly since the injections were rolled out. Far more serious than the COVID-19 scare tactic. Ten year old's dying of cardiac arrest, rapid onset of voracious stage 4 cancers, videos of people literally falling flat on their faces, entering into glazed stares and involuntarily shaking or spinning, most without warning. We've seen people with magnets sticking to their bodies, huge increases in still births and sterility, while birth rates have dropped by double digits. The list of known harms is far longer than these. And the Holy Spirit sighs and groans on the inside of me for all the infants injured and dying from drinking their injected mother's breast milk.

But woe to those who are pregnant and to those who are nursing babies in those days! [Matt 24:19]

All these are seen and reported but never amplified by the prince. TRUTH interferes with their narrative. Most lawmakers, law enforcers, Governors and Presidents are just too busy following along with the trusted experts in distraction to actually step up and stop the insane running the asylum. Or maybe, they are ushering in the fulfillment of prophecy because they do not love the TRUTH and God the Father has sent a deluding influence upon them so that they will believe what is false? [2 Thes 2:11]

All this is so reminiscent of the Luciferian, left hand - right hand magic "Space Story" they fed to us years ago. The prince just looks at us, waives the hand and tells the world, "*These are not the droids you're looking for*".

Mathew 24 is coming alive in our midst. I always wondered how the things Jesus described could ever come to be, but now it reads like a newspaper with an accurate description of this flight and the conditions of this storm that surround. This is the harsh reality of the word we face right now. That,

Unless the Lord had shortened those days, no flesh would have been saved; but for the sake of the elect, whom He chose, He shortened the days. [Matt 24:22]

The Holy Spirit of TRUTH is being poured out on all flesh, the father of lies and all who follow him are at war with the love of the TRUTH. Our eternal destination is fast approaching and it's

imperative that we listen for the interceding word of God, the Spirit who who speaks to us in the temple, according to the will of God. [Rom 8:27]

Like the days of Noah, The dust of the ground breathed into at creation has again become so influenced and infused with a demonic lust for perversion, power for domination and desire for destruction of God with us, that without the days being cut short, no flesh would have been preserved from the dangers of this destruction. They are literally seeking the modification of all flesh, turning humanity into cyber organisms, with a man to machine interface. Using this Graphene Oxide laced [LNP] spike technology, they seek to create, patented GMO beings. These patents will give them ownership over those they have invaded, because what is patented has an owner. Yeah, this beast is going to demand our worship of his image, and the number of his name.

Through these artificially intelligent bio-synthetic devices they are injecting into people they will have the ability to send and receive information electronically. It will be possible to target, track and trace us. It's their boast of the hack of humanity.

Chapter 16

Attribution to Karen Kingston

Although TRUTH tellers like Dr. Carrie Madej, Dr. Judy Mikovitz, Dr. Bryan Ardis and more have brought revelation to this missive, the legal and technical information I have shared was brought to light by Karen Kingston. She is a biotech patents analyst with over 20 years of experience and along with the aforementioned, also a believer in the TRUTH of Jesus Christ. I'm so thankful to our Father for her tireless work, pouring through the US patents of these pharmaceutical technologies and exposing them and their many associated uses. I never would have been able to complete this work without her input.

As I have listened to her interviews and read, listened again and re-read her work @ <https://karenkingston.substack.com>, the Holy Spirit has brought deeper insights into this piece on **The Mark, *Who's mark***. What she has shared has connected the dots of our view out the window with the reality and veracity of what Scripture is actually telling us in the roots of God's word.

She has been led by the Spirit of God to dig into the roots of these patented intellectual properties. He has led me to dig into the root words of the last days passages in the Bible. Together they make the view out our window understandable, though morbid and detestable.

When I first heard her explain what she knew in 2021, the Spirit pricked me with a wry sense of understanding that what she was looking into and uncovering was significant to what He was showing me in the Bible. That indeed they have assembled a lawless technology for destruction and mutilation of God's image in us, an abomination of desolation with aim to **set up / set up / set up** in the temple of God and declare itself as being God. And through that technology ALL will be **caused** to be given a **mark** on their right hand or on their forehead, so that no one will be able to buy or to sell, except the one who has **the mark**, either the name of the beast or the number of his name. [Rev 13:16-17]

[I suggest you read all her work and Support her in it!]

Chapter 17

The Captains Word And The Q Dot Dragon

The radar indicates we are nearing our final destination and our flight path will continue to be afflicted with this tempest of freezing fear and low visibility the trusted experts deliver. As the flaps of the wings begin their extension to assist in our lift and stability and our air speed decreases rapidly into our descent, the Captain brings us this word:

“For those with an ear to hear.

Thank you for trusting Me to pilot you through this storm,
for not loving your life so much as
to shrink from the darkness and death that surrounds.

For being willing to give up this world and all that it can offer
and trust the Spirit of TRUTH to lead you through
the greatest tribulation of the soul ever encountered.

*That which is born of the flesh is flesh,
and that which is born of the Spirit is spirit.* [John 3:6]

The wicked merchantmen,
and lawless sons of money,

are preparing to claim ownership and the power of life and death over all,
able to *kill the body but unable to kill the soul.* [Matt 10:28]

We will be on the ground shortly, disembark and to enter into the terminal with **The Mark**,
who's mark received is the determining factor for all eternal destinations from there”.

Encouragement from the Captain? Maybe it's sobriety, with a fragrance for the wisdom and training needed for our endurance in this time? The Captain is spot on! Our eternal destination is based on what we receive and not what we have been given. Much is supplied to us in this world, but most of it is of no eternal benefit, it is flesh and not Spirit. Salvation has been given to the whole world in Jesus Christ, yet not all have or will receive. The second beast is in the midst of us, under the power of the dragon **causing** ALL to be given a **mark** in the flesh and all the world can offer will be available to those who receive.

The lawless destructive infection that is this beast, this abomination of desolation and its **mark** is upon us now, but one thing remains to be identified. One thing needs to be brought into the open for our understanding, one question of prophesy in the Bible remains.

How could a shot in the arm, tainted air or food ingested result in a mark on the Right hand or the forehead?

By now, there should be no question. They have the ability to invisibly enter into our bodies through their Lipid Nanoparticles and other technologies. It is taking place and it can alter and kill us if programmed to do so. We've touched on Hydrogels and Graphene Oxide as part of their parasitic spike protein cloak and dagger, but there is another nanotechnology contained in these

biological weapons with very unique properties. A technology that carries the ability to move to specific locations in the body.

The Quantum dot technology or Qdot® has been around for over a decade. This technology is used in a wide variety of consumer products, electronic devices, things we eat, things we apply to our bodies as well as some medical applications. Maybe these broad uses should be considered and give us pause for, **causes** ALL, right here?

Qdot® is able to receive and emit blue light frequency. It has the ability to invisibly encode light information into the skin and can be aided by a substrate they named Luciferase. Yes, you heard that right, something called Luciferase is associated with Qdot® technology in the COVID-19 injection. After a decade of it's circulation in various consumer products and it's concentration in the 2 billion injections, **causes** ALL is here!

Quantum Dot can be infused into our flesh like a **mark**, a stamp or an etching into specific locations in the body and be observed through this bioluminescent blue light frequency. As mentioned earlier but not identified, Quantum Dot makes this bioweapon capable of targeting, tracking and tracing us. The frequency it emits can send and receive information, even outside the body. By design Qdot® can literally **take seat [g2523]** in us, in the temple of God. [2 Thes 2:4] It is designed to **settle** or **set / set / set** itself into our flesh, **appointed / appointed to fix it's abode** and "**confer**" or **speaking a kingdom on us**.

And it was given to him to give breath to the image of the beast, so that the image of the beast would even speak and cause as many as do not worship the image of the beast to be killed. [Rev 13:15]

...IT ATTACHES itself to us like an etching.

IT SPEAKS!

And IT can KILL US!

Through nano-vectors or targeting moieties as they call them, Quantum Dot can be genetically assigned to enter into specific locations in the body. And to the point, I believe Quantum Dots will be sent to the Right hand or forehead where they will magnetically **abide / abide, tarry / tarry** and **lay / lay in wait** for the **appointed** time. The unveiling of the blockchain monetary system, that is here underpinning Cryptocurrencies and being **constructed** and **set / set / set up in the presence of others** to **fix it's abode** and **confer a kingdom** of **money to one** and all, in the flesh.

Not only are these targeting moieties capable of being sent to a specific location in the body, but once **set / set / set** they can be stimulated or breathed upon as they interact with LED light or 5G wireless technology. The electromagnetic fields and frequencies emitted by quantum dots can cause emotional or psychological disruption, physical disease and death because these frequencies interfere with the frequencies of our bodies. Mere collateral damage to these demonically driven psychopathic sons of destruction who's goal for Qdot® is to **cause** and **construct** micro wireless communications systems in humans. The timing for expression can be predetermined and triggered minutes, hours, days or even months after ingestion or injection.

And here's a little Ponder Stop that Karen Kingston brought to light on her substack that should make the hair on the back of your neck stand straight up.

[<https://karenkingston.substack.com/p/part-5-dismantling-the-covid-19-deceptions>]

This Qdot® nanotechnology was perfected by a Chinese-born, US Army engineer. And the technology is owned by the communist Chinese military. Isn't that a country associated with a dragon? Aren't *cryptos* people having a secret allegiance to a political creed, **especially communism**? You can't make this stuff up.

A nanotechnology called Quantum dot that can be used to embed a *mark* [g5480] of Blue light, Luciferase information into our flesh unawares, that can communicate back and forth to a central computer network, was **invented, perfected and is owned by a communist country that is deeply associated with the Dragon!!!**

Scripture does not lie! And scripture points right to these last two paragraphs!

This beast of a technology is an absolute Luciferian rip off and perversion of what the Holy Spirit does in us, but theirs is flesh and will only ever be flesh. If you are aware of the roots for the Greek word for intercession [g1793] you know that when Jesus and the Holy Spirit speak to us their words **hit the Mark**. And they do it as **one who meets one or presents Himself unsought** speaking to us according to the will of God. [Rom 8:27]

Well, nobody I know asked for Qdot® nanotechnology to be invisibly lodged into their flesh, but here it is presented unsought. Set to **tarry in transgression of the law**, able to speak and provide impulse and stimulation to the flesh in direct opposition to the Holy Spirit who leads us to crucifixion of the flesh in Christ.

The beast will **cause** ALL to be given **the mark** as God commanded in Deuteronomy, hands and foreheads. And like **the Mark** in Ezekiel, it's not being done by human hands, will not be seen with the naked eye, but will be able to communicate information to those who hold the shattering weapons, because it's artificially intelligent and able to answer the call of it's programmers.

The injections contain trillions of Quantum dots and they transmit and respond to Bluetooth technology. And as Ms Kingston points out again:

[https://karenkingston.substack.com/p/part-8-dismantling-the-covid-19-deceptions?
utm_source=profile&utm_medium=reader2](https://karenkingston.substack.com/p/part-8-dismantling-the-covid-19-deceptions?utm_source=profile&utm_medium=reader2)

All COVID-19 injections listed on the World Health Organization website contain the Bluetooth smart technology and Ai microorganisms like, but not limited to Qdot®.

All COVID-19 preventative treatments contain inventions that are electronic devices that can emit Bluetooth signals to track and trace the tested and vaccinated citizens via their geolocations.

These biosynthetic Ai technologies are in ALL COVID-19 injections by the trillions, and they are

also being **appointed** and **set / set / set** into everything we use or eat. And why would that be? Because no one will be able to buy or sell, except the one who has **the mark**, either the name of the beast or the number of his name. [Rev 13:17]

These electro magnetic Ai invaders will be in everything in continuance!
In us and all around us.
I call it Fake Satanic Emanuel, Fake Luciferian Intercession!!
The Bible refers to it as an abomination of desolation.

Chapter 18

7 Times Given A 5G MAC

The “man” of lawlessness has been revealed and is in open warfare with the saints and every tribe of humanity. [Rev 13:7] This beast is operating in direct violation of 18 US code §175 and the Prohibitions With Respect To Biological Weapons, the Geneva Convention with regard to non-combatants and the Nuremberg Code. They have been infecting us through the air, our food, clothing, toiletries and healthcare products, their COVID-19 testing equipment and vials of injection without our informed consent. The overall picture of the COVID-19 scare and repair program is an act of biological warfare being perpetrated on all humanity. “It”, “these people” have been revealed. [2 Thes 2:3]

Without fear or respect to the law, they are entering into people, seeking to violate our genetic code, the image of God. They seek to display the image of the beast as being God over us, destroying normal life, stealing and sterilizing God’s command to be fruitful and multiply in freedom. But remember... 7 times in Revelation 13 it says, “It has been given”. The Control Tower gave clearance for our flight through this storm and it’s foreboding dark and destructive forces and the Captain is still flying this aircraft. *Fear Not!*

And for the sake of a lie that some “virus” broke out or was discovered in a wet market and we needed the trusted medical experts to fix it for us, these pupils of perishing ruin, these sons of money were able to expedite the installation of their new system of Trans-Humanist connection for control of commerce and exchange. Bluetooth MAC addresses [Media Access Control] embedded and invisibly encoded into our skin to track us and connect us via 5G to their internet of things and the blockchain monetary system.

“Therefore when you see the abomination of desolation which was spoken of through Daniel the prophet, standing in the holy place (let the reader understand), 16 then those who are in Judea must flee to the mountains. [Matt 24:15-16]

I always wondered why fleeing to the mountains was part of Jesus’ admonition for the last days abomination. Can you see it now? Maybe it’s a little clearer? Maybe your five year plan needs to be rethought?

Chapter 19

Landing In The Tribulation Of The Soul

The whine in the thrust of the engines begins to diminish, as we enter our glide path for landing. A suspended air of calm and quiet comes over the cabin, brushed only by a smattering of muffled distant words. Suddenly, the still is breached by the sharp engagement of the wheels with the concrete runway below. Violent rattles and shakes of this vessel ensue as the brakes and reverse thrust lurches us all forward...

And having reached proper ground speed, the Captain releases it all and we enter into a smooth and controlled roll. This is a suitable metaphor for what is required of us before we enter the terminal.

Our flight has come to its conclusion and is on taxi to the terminal, but the tests of our journey are really just beginning. This was a long flight to endure, and though we are on the ground, we have yet to stand in the face of the incessant buffeting winds and the freezing fog of fear. And stand we must in the power and authority of Jesus Christ. We have arrived at our gate, it is small and the way is narrow that leads to life, and there will be few who find it. [Matt 7:14]

The Captain has turned off the fasten seat belt sign and the commotion of freedom to disembark and enter into the terminal has begun. The Spirit of TRUTH reveals the *great tribulation* of our journey is now upon us, *such as has not occurred since the beginning of the world until now, nor ever will*. [Matt 24:21] Watching from my seat, deep sighs and groans arise in my soul knowing of the abomination of desolation in our midst and a multitude on a wide road of destruction without any understanding of it.

As these pictures wash over me, He reveals a deep sadness for humanity who does not acknowledge the TRUTH of God and for a people who do acknowledge God with their lips, yet have been subtly and persistently steered away from the call of Jesus Christ to listen for His voice and His voice only. There has been little or no practice of the soul to follow His voice and give up this world and all it can offer for the life He promises.

Based on observation and what the Bible says of the last days, most are not prepared to enter into the terminal and the greatest tribulation of the soul ever encountered.

Chapter 20

Apostate Doctrine Of Our Cross

The most difficult task we will face to enter the narrow path to the small gate will be the crucifixion of our flesh and that *appointed / appointed / appointed mark* that *abides / abides / abides*. Taking up our cross should be the standard for the people of God, it should be a fixture of faith in all fellowships. Jesus Christ over the desires and lusts of this world. But if you have noticed, along with the failure of the trusted experts to drive the sheep toward the One who is now Lord, [2 Cor 3:17] and leads us into ALL the TRUTH [John 16:13] there is hardly a whisper of the call of Jesus, to “give up” [g0657] *send away, to bid farewell or separate oneself*, from this world, in the embrace of our cross. [Luke 14:33]

It's something that western cultural Christianity knows little of, but hear this. The lie, a very subtle lie of the apostate mindset, is that the sons of God saved by grace through faith, can

bypass their cross and receive what this world has to offer, because our saving grace is that Jesus took up His cross for us. [Matt 27:40]

...For, as I have often told you before and now tell you again even with tears, many live as enemies of the cross of Christ. Their destiny is their destruction, their god is their stomach, and their glory is in their shame. Their mind is set on earthly things... [Phil 3:18-19]

So not only will a huge plurality of people be run over with cognitive dissonance and absolute shock and disbelief when it is revealed they have been **caused** / **caused** to have something in them that is **abiding** / **abiding** / **abiding** that has power to **band together** with them and **take hold, without delay**, all this world can offer; They will also be faced with little or no understanding of the resident power of the Holy Spirit to take up their cross and receive victory over this false light Luciferase embedded **mark** of the beast.

The apostasy did well to lead people away from the crucifixion of the flesh and the power of the Holy Spirit who empowers us to accomplish it. There has been little preaching or teaching on dying to this world and it's passions, taking up of our cross as Jesus did and commanded us as well.

The last days are marked by a defection from the TRUTH, for not loving the TRUTH. [2 Thes 2:10-11] The TRUTH is our flesh is being installed with a vehicle to ensure we can keep all of our possessions and access to this world, but Jesus promises we will lose our life, HIM, if we receive it.

Harkening back to the Captain's admonition before we landed, we must contend with His words that offer life. In TRUTH they **hit the Mark**. They expose the line of separation that has always been but now is coming upon us fast with furious finality. Flesh from spirit, spirit from flesh.

It is the Spirit who gives life; the flesh profits nothing; the words that I have spoken to you are spirit and are life. [John 6:63]

Can you see why the power and authority of the Holy Spirit in us, the strength to take up our cross and overcome the flesh through Him has been overlooked, set aside and marginalized by the trusted experts?

Understood or not, this is due to the Luciferian infiltration of apostate doctrine into the church.

Chapter 21

Dun For Debt In Every Temptation

As a master who encourages the storing of treasures on earth, Satan is offering the keys to his kingdom. It is **set** / **set** / **set** to **abide** / **abide** waiting for an **appointed** / **appointed** / **appointed** / **appointed** time, **standing** / **standing** to **establish** / **establish** and **execute** a **covenant** for a **kingdom** of **money**. Satan knows that where our treasure is our heart will be also. And if our heart's treasure is in the earth and what the flesh can embrace and consume, then we have allowed him

to brake in and steal the word of God that “*hits the Mark*” in the heart.

When anyone hears the word of the kingdom and does not understand it, the evil one comes and snatches away what has been sown in his heart. This is the one on whom seed was sown beside the road. [Matt 13:19]

As stated, they seek to hack us and their abomination of desolation contains properties and power to stimulate our flesh with demonic oppressions. These Luciferian deceivers seek to use their hack to incite all kinds of carnal emotional reactions, fear (their favorite), despair, lusts for things... You name it and it could be possible. They are setting themselves up in the temple of God and will claim to be God, having a demonstration of power and influence over the flesh. And don't be surprised when they can demonstrate being able to shut off those lusts for you and “save you from your sin”. Yeah, that's a Ponder Stop isn't it!?

The mark will be present in the flesh, it will give Satan an opportunity to work His formal methodology of attack on the inside. That is a “dun for debt”. A harassment and persistent insistence that we take him as our creditor and lender to the desires of the flesh. The dun for debt comes to influence any of the three 1 John 2:16 lusts of the flesh with aim towards our attrition. Maybe the COVID-19 injection experience will illustrate this well for you?

The pride of life was pushed hard during the injection phase. People were coerced and guilted with removal of status, job loss, denied access to events and entertainment for refusal to give in. That is a dun for debt and sadly many gave in to the flesh and many were injured and many have perished.

The strategy is wrapped up in the root word that describes the serpent's first encounter with Eve in the Garden. She was deceived. [h5378] Just like the implementation of the jab, saying surly you will not die, He imposed a dun for her debt greased by his lies. And because the woman saw that the tree was *good for food, a delight to the eyes and desirable to make one wise*, [1 John 2:16] she took it, gave it to Adam and they ate. They had heard the word of God, but did not understand the treasure it is and the word was snatched away as they followed after the serpent in these desires of the flesh. The playbook never changes.

The Bible is not clear on how long it took for Eve to give in and this is a critical perspective for our current issue of *the mark* of the beast. How many times has “God said” and we heard and held to it for a time? Then through the dunning infliction and continual mashing of carnal enticements and lies, we allowed what “God said” to be ground down in attrition to the desires of our flesh? Maybe this offers some perspective on the failure of Adam and Eve? But certainly magnifies the call for patient endurance upon the saints.

In Chapter 6, I told you to log how Jesus overcame His temptation in the wilderness. Most plainly, that the resolve of Jesus by the Spirit, before entering the wilderness was set to reject everything of this carnal realm offered to Him. The same resolve that led Him to the cross. We should all let that sink in because He told us when we are fully trained we will be like Him. And for the times we are facing, we MUST become like Him! [Luke 6:40]

Jesus didn't just white knuckle the wilderness, as if He were more stubborn than Satan, Jesus took on the roots of Deut 6:6 to bind [h7194] Himself to **the Mark** of God. And in **compact and a mental league of love** for the Father, His spirit was set **to conspire** with the Holy Spirit in union, as **combatants to work treason** against the god of this world, listening for and speaking just as the Father gave Him initiative. He started with the proclamation that is written. *Man shall not live on bread alone, but on every word that proceeds out of the mouth of God.* [Matt 4:4]

Satan was dunning for debt to the flesh with Jesus just as he did with Eve and scores of others throughout time, but Jesus overcame *every temptation*. He rejected the ruler of this world and all his offerings because the Son of God appeared for this purpose, to destroy the works of the devil. [1John 3:8] And when the devil had finished *every temptation* in the wilderness, he left Jesus until an opportune time.

The **mark** of the beast is akin to the Holy Spirit leading Jesus out into the wilderness to be tempted. And like Jesus, our submission to the will and word of God will be tested for purity and fidelity. For we are all tempted even as He was and can overcome even as He did, without sin in the embrace of every word that proceeds out of the mouth of God as our source and sufficiency. It is the power to refuse everything this world has to offer, even unto death.

For we do not have a high priest who cannot sympathize with our weaknesses, but One who has been tempted in all things as we are, yet without sin. [Heb 4:15]

Reading the wilderness passages in Matt and Luke 4 we can see that *every temptation* in Satan's arsenal is born of appetite, the lust of the flesh, the lust of the eyes and the pride of life. [1 John 2:16] These 3 are exactly what Eve described as reasons to eat the fruit of the Tree Of The Knowledge Of Good And Evil. She obviously didn't understand she was rejecting the love of the Father in the embrace of these desires. [1 John 2:15] But Jesus addressed it as He hung on that tree saying, "*Father forgive them they do not know what they are doing*". [Luke 23:34]

Throughout time these 3 have remained as the point of continual confrontation for us in this world. And though *every temptation* of Satan can be attached to these lusts, the full victory of Christ is also attached to them overcoming the dun for debt by the Spirit of God and every word that precedes out of the mouth of God. These useful tools of the enemy of God and man are what Christ overcame for man in death through His cross.

Every temptation is found in the Tree Of The Knowledge Of Good And Evil [TOTKOGAE], these three lusts that result in death. Overcoming that death is the embrace of our cross Jesus called us to "take up". To receive! [g2983] [Matt 10:38]

These three desires of the flesh are the spikes through our hands and feet as **the Mark** and seal of our rejection of this world. These three are the nails that bind us to our cross as our required crucifixion!!

Taking hold of this understanding in our spirits, embracing the TRUTH of the greater One who is

in us, everything from that point forward is palatable and can be endured by us in the Spirit, overriding and crucifying the flesh. This is the perseverance of the saints, and it will ONLY be accomplished in the name of Jesus Christ, following with, after and behind the presence and power of the Holy Spirit in us, through repentance.

Chapter 22

Attrition To The Master Of The Wide Road

I am in full expectation of the Rev 13:16 **mark** of the beast to arrive and grow as a dun for debt as well. The serpent ending as he began. Those who are not on the road to the crucifixion of the flesh and it's passions will sink toward attrition in the slow roll out, to full implementation of **the mark**. I can see our bout with **the mark** being an extended version of Jesus' trials, tortures and slow walk to crucifixion.

Ours will be long and drawn out with plenty of opportunity to just let attrition to the flesh have it's way. We will all come under the influence of this dun for debt, and it could be a prolonged period we will be called to endure. But those who have not taken up their cross in Jesus name will succumb to it's desires, unable to suffer the three spikes for their flesh, that hold them to their cross.

The prince will assure us, entrance into the new system is as easy as agreeing to receive it. True that. But the hard TRUTH will be most people had no idea they had **the mark** until that time. Many believers will be shocked to realize they have already been installed with this technology. That it has **taken seat** in the temple and is **laying wait** for activation. Certainly not what we were told by the trusted experts and this revelation will carry an entry point for guilt shame and condemnation for what looks like a failure before God, but is just a deceiving sign and false wonder of the beast.

Who will resist the possibility of a completely clean financial slate, with the potential promise of some seed money pre-installed to get them started in their new account? All former debts cancelled. No house payment, no car payment, no student loans, or Credit Card debt. Because, something new has come along **to act as their creditor**. [h5378]

Who will turn away from the worldly benefits available to those who receive the new system of exchange? Who will endure the shame cast on the useless who won't receive **the mark**? Who will endure the rejection of the world as they are pushed aside and their pride of life is frozen out in the cold hard winds of Satan?

The unwise will receive it, assuring you it was a painless transition and life has carried on much the same or better. With all compassion and sadness for you, they will deem your resistance as unnecessary prideful suffering.

As mindless parrots of the trusted experts, the really wise among us will confidently express that the third temple hasn't even been built yet! That we should come down off that cross, save ourselves and our families because, Jesus has paid it all.

Know your enemy!

Again, western cultural Christianity has not prepared a people to deal with the three appetites of our flesh that will relentlessly hound us through *the mark*. The power and authority of Jesus' name has been avoided and the Holy Spirit within has rarely been allowed or encouraged to lead the church. I am aware of very few believers who are in the regular practice of denying themselves or crucifying the passions and lusts for this world.

One of the most basic tenants of following Christ, denying ourselves and taking up our own cross, is virtually unsought or acknowledged by the trusted experts in today's gatherings. Therefore, the people who always follow at a distance will be consumed in the flesh along with these blind guides who are refusing the Bible and the leading of the Holy Spirit toward understanding.

The Luciferian infiltration of doctrines, the lies and misdirections of focus over multiple decades has prepared the soil of this apostasy, this defection from TRUTH. The fear of being cut off in the flesh from the world will hammer on the defenseless souls who have not read or been warned by their trusted leaders of this mandatory division, flesh from Spirit. Sadly they will be destroyed for their lack of knowledge. [Hos 4:6]

Paul's admonition was to walk by the Spirit, so we will not carry out the desires of the flesh. For the flesh sets its desire against the Spirit, and the Spirit against the flesh; for these are in opposition to one another, so that you may not do the things that you please. 2 Corinthians 10:3 and Romans 8:9-11 both speak to a similar understanding, that those who belong to Christ Jesus have crucified the flesh with its passions and desires. [Gal 5:24]

Scripture is clear, *the mark* of the beast is the fork in the road. To the left it widens out into the comforts of the world and something that looks normal and familiar to us. To the right it narrows sharply, with few fellow travelers and much suffering in the flesh. *Pray that your flight will not take place in winter or on the Sabbath.* [Matt 24:20]

Jesus explicitly said,

“Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it. [Mat 7:13-14]

The hard break for this generation, having an **abiding** / **abiding mark** seeking to **execute** a **covenant** for a **kingdom** of **money** will be that...

*“No one can serve two masters;
for either he will hate the one and love the other,
or he will be devoted to one and despise the other.
You cannot serve God and wealth.* [Matt 6:24]

His word and Spirit bears witness inside us that we cannot serve both God and our personified

riches or confidences in earthly treasures. This is the hard TRUTH ignored for decades, but set before us now with devastating eternal consequences for “*missing the Mark*”. [g0266]

Chapter 23

Showdown In The Temple Of His Intercession

Many trusted experts say the showdown of the last days is the battle of Armageddon. I'm pretty certain that battle will take place, but I believe the real showdown of the end of days is in the holy place, the temple of God, where the souls of humanity will be weighed in the balance. The showdown is between the lawless Luciferian sons of money and those called to be the children of God. Not a battle of flesh and blood, for flesh and blood will not inherit the kingdom of God. [1 Cor 15:50]

This battle stems from the heavenly places, where spiritual forces of wickedness seek to deceive the souls of men into receiving their habitation in the temple and *the mark* being **set up / set up / set up**. A wicked *mark* and seal [g4972] of **a mental league of love** for the desires of the flesh. [Eph 6:12] [Deut 6:6-8 and 11:18]

For the mind set on the flesh is death, but the mind set on the Spirit is life and peace, because the mind set on the flesh is hostile toward God; for it does not subject itself to the law of God, for it is not even able to do so, and those who are in the flesh cannot please God. [Rom 7:6-8]

The assault has already begun, the temple of God is being invaded and it will not be stopped by God or man. It is written. They have declared war on all flesh, invisibly breaching the walls of the holy place with a Graphene Oxide, blue light frequency, Qdot® technology to bring humans into the internet of things and offer opportunity to become “the sons of money”.

These lawless sons of destruction have brought a multitude of shattering weapons into the temple, some to move the ball forward on their goal of deep, deep population reduction. Some only to maim, so the new drugs they created to treat the known harms of their Bio-weapon injection can be sold to the needy. Yes! That is indeed a manifestation of a demonic spirit. But the greatest of their weapons is *the mark*. And at the **appointed / appointed / appointed** time it will be seen that ALL have been **caused / caused** to be given *the mark* and this shattering weapon is greatest of all because the eternal souls of mankind are in the crosshairs between the flesh and the Spirit. Between listening for and following after the voice of the Holy Spirit or the voice of principalities, powers and the rulers of this dark world who dun for debt to the flesh.

Jesus entered the temple and drove out all those who were buying and selling and overturned the tables of the money changers and the seats of those who were selling doves. And He said to them, “*It is written, ‘My house shall be called a house of prayer’; but you are making it a robbers’ den.*” [Matt 21:13]

Jesus was quoting Isaiah and Jeremiah.

Isaiah 56:7 says, For My house will be called a house of prayer [h8605] for all the peoples.”

Jeremiah 7:11 asks the question, Has this house, which is called by My name, become a den of

robbers in your sight?

Behold, I, even I, have seen it,” declares the Lord.

In this couplet of verses Jesus paints the picture, not only of what He is seeing right in front of Him, but simultaneously shows us what our temple showdown will look like. The house of prayer has robbers who have broken in with aim to steal the voice of God from us, using our own desires and encumbrances of the flesh to drown His voice out. Beware the third seed in the parable of the sower. [Mark 4:18-19]

Jesus dealt with “money changers” in the temple, but we’re dealing with “changers of money”. Operating in the similar spirit, indifferent or in outright opposition to God, these “changers of money” are seeking to turn us into a medium of exchange, for us to become “the sons of money”. I hope this can be seen and is understood.

This beast will move upon and speak to those who’s God is their appetite in the flesh. And without the power of the Spirit, in the name of Jesus Christ, they will fall into this worlds passions and lusts and be dragged away from the interceding Spirit of God who resides in the holy place, speaking life. True appetites and thirsts are evident and our fruit does not lie. It is either born of the flesh or born of the Spirit. And here the fulcrum of our eternity will be set based on whether we choose to receive continued access to the world systems or trust God and embrace the voice of the eternal Father, who has *hit the Mark* in His house of prayer calling us to lay it all down.

Like Jesus, the Spirit is calling us to fashion a whip of cords to drive out those who seek to make the temple of God a house of business and us into the medium of exchange. [John 2:15-16] We can’t stop the invasion, but through the power of the Holy Spirit we can slay them at the altar! Today if you hear His voice, do not harden your heart. [Heb 3:7-8] The cross of Christ is before us and everything this *mark* of the beast brings must be submitted to God and resisted in the Holy Spirit. Victory over their invasion is at hand, overcoming in the name of Jesus. But the triumph will not be in the flesh, it will be in the spirit, through the Spirit, giving up *sending away, bidding farewell* and *separating ourselves*, from all this world offers, in the embrace of our cross. If anyone has ears, let him hear.

Do not fear those who kill the body but are unable to kill the soul; but rather fear Him who is able to destroy both soul and body in hell. [Matt 10:28]

God has given this beast access to *take seat* in the temple and claim himself / itself as being God. Ultimately we know that’s a lie, the beast is not God.

So if they say to you, ‘Behold, He is in the wilderness,’ do not go out, or, ‘Behold, He is in the inner rooms,’ do not believe them. [Matt 24:26]

When Jesus said, “*My house shall be called a house of prayer*”, He was quoting the second portion of Is 56:7. The first part speaks to us being brought to His mountain, so He could make us joyful in His house of prayer. The defining roots for prayer [h8605] reinforce everything the

Holy Spirit has been showing me for the last seven years since The Journey began. The roots say, **My house shall be called a house of intercession**. My house is where I shall “**intervene**”, “**interpose**” and “**intercede for all the nations**”. There I will “**mediate and judge**” and I want you to “**hear My prayer**”. His voice is speaking now in the holy place and when it’s understood it makes us joyful in His house! Because, Jesus was the faithful son over His house - whose house we are. [Heb 3:6] Yet, who is listening for and knows the voice of power and deliverance from the god of this world?

I live off of His intercession in repentance.

Samuel was raised in the presence of the Ark of the Covenant, in the temple of God. He heard the voice of the Lord calling him.

Samuel did not know the Lord.

He heard His voice, but he did not know Him.

Samuel needed Eli [g2241] “my God” to bring understanding and reveal the suitable response to the voice of the living God who was speaking. Eli said, when you hear His voice, say, “Speak, for Your servant is listening.” [1 Sam 3]

This is THE key point to understanding how anyone comes to know or understand the living God,

and the power He brings into His house to overcome the world.

Without the intervention of our Intercessor and the revelation He brings, no one would know or have any understanding of God.

The Father set the stage for reliance upon His voice from the beginning.

Formed for reliance on His direction, His wisdom and His understanding.

“The kingdom of heaven is like a treasure hidden in the field, which a man found and hid again; and from joy over it he goes and sells all that he has and buys that field. [Matt 13:44]

The treasure is His voice!

As the Passover neared, Jesus drove out the merchantmen, those sons of money who were supplanting the heart of true sacrifice and worship in the temple. Overturning the tables of those gaining worldly wealth in the sale of sacrifices, but **missing the mark** [g0266] on what God has always desired, a broken spirit and contrite heart. [Ps 51:17]

It was clear that burnt offerings and sacrifices from the fat of rams were not His delight, but rather **a people who would listen for and heed His voice**. [1 Sam 15:22] The Father has always looked for one like His Son who would walk in obedience to what He hears from His Father, presenting His body as a living sacrifice, holy and acceptable to God. [Rom 12:1]

Once again it will be seen that a den of robbers has **taken seat** in the temple with new Blue light tables of exchange invisibly embedded to **tarry / tarry** in the temple walls, our flesh. There are no sales of bulls, rams or pidgeons for sacrifice to God at these tables in the temple, what is being offered up now are MAC addresses that will cry out from our flesh like the voice of strangers,

[John 10:5] seeking to kill, steal and destroy us. [John 10:10]

The interceding voice of God is our strength and the ability to extract our souls from the din of our flesh and those changers of money who seek to keep us bound to this world in the desires born in the flesh. These tables must be overturned as well and all benefits of the flesh they offer must be strewn to the floor. A living sacrifice is required, Spirit over flesh, considering the members of our earthly bodies as dead. [Col 3:5]

Embracing the flesh is:

"The inhibitor and obstruction to the living waters of His intercession".

At the end of the day, no one knowingly signed up for this FAKE SATANIC EMANUEL, this **mark** of Luciferase bluetooth INTERCESSION coming from a beast empowered and owned by a dragon. But these merchantmen of contempt and violation of law entered in where they should not be through nanotechnology and the nefarious desires of their father. No one was prepared for this beast invader who has entered in and presented itself unsought.

But the Father is absolutely sovereign. He knew exactly what this storm would be, how it was going to be used and the requirements for overcoming it. The fact that all of this is even taking place, no one saw it coming and we are unable to keep it from continuing should give us some comfort.

God is allowing all of this to take place for His purpose in His people to shine with His **Mark**. The **compact** [h7194] and **mental league of love in conspiracy to work treason** with His Spirit as **combatants** against the god of this world. For His kingdom to come and His will to be done.

The Father set the stage for the showdown in the temple. Waiting on His people to take hold of His purpose since creation. For from the beginning, every word that proceeds from from the mouth of God has **hit the Mark** in His people, in the temple of God. The power to subdue the earth and the enemies of God has always been found in a listening ear and a heart to follow with after and behind those words of life. "Speak, for Your servant is listening."

If we will rise up in the power of Jesus name, put the fullness of this world and all it can offer to death by the Spirit, He will deliver the knock out blow to the one who has dunned for debt to the flesh since the beginning and now seeks to rule in the holy place. We are the temple of God and this abomination of desolation is **taking seat where it should not be** and will claim to be God.

[Mark 13:14] [2 Thes 2:4]

The Father did not set us up to fail, but to be victors in Christ over the god of this world in the holy place.

We were created to be witnesses to the prosecution of the lie, in TRUTH.

Chapter 24

Who's Mark Caused Not Received

It's time to get off of this plane. Amidst the bustle of others scrambling to gather their belongings, phoning and texting their connections, I rise to my feet to exit this flight as well, with a narrow path and small gate set before me and every other passenger here. Looking around at the activity and actions of my fellow travelers, I wonder if the Captain's word that "**hit the Mark**" has been received in them?

I am leaving what I brought on this flight behind because the Captain's word echos the years long work of the Holy Spirit in me to dislodge my heart from the desire for this world and what it has to offer. The Journey has been a beautifully painful, road of sorrows, as the lies of this world and the flesh have been exposed, peeled back and removed by the Holy Spirit.

I am so grateful for the revelation He has brought to my spirit. Transferring the treasure of my heart from things of this world to the voice of His intercession, the word of the living God that speaks to me in the temple of God according to the will of God. [Rom 8:26-27]

I live off of His intercession in repentance.

The roots of Rev 13:16 reveal the TRUTH, 'he' **causes** ALL is in full swing. It will be fulfilled as written for the small, the great, the rich, the poor, the free men and slave. As it was with Paul, like a thorn in the flesh, a messenger of Satan will **abide** in us seeking to afflict us with the persistent call to feed and answer our flesh. And to that end, the plurality of believers who are scarcely prepared, have a very serious task set before them at the fast approaching fork in the road.

Soon we will all be entering into the terminal with a **mark** in the flesh and we will all die with that **mark** still in our flesh. But having **the mark**, as ALL will be **caused** [Rev 13:16] and receiving [g2983] **the mark** [Rev 14:9-12] are not the same.

Then another angel, a third one, followed them, saying with a loud voice, "If anyone worships the beast and his image, and **receives** [g2983] **it's mark** on his forehead or on his hand...

he also will drink of the wine of the wrath of God, which is mixed in full strength in the cup of His anger; and he will be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb. And the smoke of their torment goes up forever and ever; they have no rest day and night, those who worship the beast and his image, and whoever **receives** [g2983] **the mark** of his name."

Here is the perseverance of the saints who keep the commandments of God and their faith in Jesus. [Rev 14:9-12]

The desire to maintain access to the things of this world and what the flesh desires will separate us from eternity with Jesus. Yet, In another way, we will most likely die in the flesh due to their shattering weapons, or be killed for having rejected the access and opportunity to gain the world through their most deadly weapon. [Mark 8:36] If we refuse worship of the beast and his **mark** that duns for debt to the flesh, we will give up all our possessions as a **Mark** of discipleship. [Luke 14:33]

If by the interceding Spirit of Jesus, we receive [g2983] the power and ability to take on the crucifixion of our flesh, [Matt 10:38] the beast **mark** will perish in the flesh on our cross. However, if we will not receive [g2983] the leading of the Holy Spirit [Acts 19:2] who **hits the Mark** in our hearts, if we will not receive [g2983] our cross, **the mark** of the beast will prevail in the temple of God and lead us to eternal torment of fire and our destruction.

Our Intercessors are speaking to **hit the Mark** within us all right now and those words precede all things life to lead us into repentance. Unlike Samuel, not everyone is actually listening as if to hear Their words in the holy place. To their demise they will **miss the mark** and the agent of our draw into freedom, fellowship and eternal life in the Father.

So in conclusion to this long, long flight and the tumultuous revelations and requirements upon our souls, the question still remains and sits as the demarcation point of our eternal destiny. Before we enter the terminal this question must be answered.

Have you received **The Mark? Who's mark?**
